

## Items of Local Interest

If the person who took the hand-bag from the waiting-room of Dr. Roach's dental establishment on Monday morning will return it to P. O. Box 338, the contents may be retained.

The local baseball players had their first practice of the season on Wednesday afternoon when they played a game with the College team. Owing to their lack of practice the College boys did not have much difficulty in defeating them. However there is ample material and when the boys get down to work in earnest they will no doubt make a good showing this summer.

Mr. L. E. Shaw, Census Commissioner for Kings county, has opened an office in THE ACADIAN Building, upstairs, where a conference of the enumerators for the different districts of the county was held on Wednesday afternoon. There was a goodly number present from the various sections and these were instructed in their duties which will begin the first of June.

After waiting the limit for the town authorities to put the captured German gun in position on the government grounds a number of volunteers took the matter in hand at noon-time on Wednesday. As a result the gun now occupies a prominent place on the west lawn, being supported on concrete blocks. The gun has been very badly neglected since being received and ought to be looked after at once if it is to remain a permanent memorial of German defeat in the Great World War.

Mr. Mason, the enterprising proprietor of the Opera House, is making special efforts to present attractive features which are very much appreciated by patrons of the theatre. Besides serving a splendid class of pictures, equal to what may be seen anywhere, he is alert to every opportunity of bringing interesting features to Wolfville. Last week patrons of the Opera House had a chance to see a production put on by the students of King's College; on Saturday night of this week the Acadia Dramatic Society puts on "Nothing But The Truth" and on Wednesday evening next the Mt. Allison College Players present "Strongheart". This gives an opportunity for comparison and the arrangement cannot fail to be appreciated by the friends of the different institutions. Mr. Mason deserves the hearty support of the town and surrounding country and we are glad to know that he is receiving it. A liberal patronage is the best method of showing that his efforts to present good, clean, wholesome amusement are appreciated, and will, undoubtedly, tend to still greater efforts on his part.

## GRAND PRE WOMAN WILL SPEAK IN THE WEST

The meeting of the Federated Women's Institutes of Canada will be held next month in the city of Edmonton. Premier Stewart, of Alberta, will give the address of welcome and Miss Annie M. Stuart, of Grand Pre, has been selected to speak on behalf of the Institutes in reply to the Premier. Miss Stuart has also been asked to address the Institutes of Quebec in annual convention at MacDonald College, which also meets during the month of June.

## TOWN IMPROVEMENT

Under the direction Dr. Oakes good work is being done in the improvement of the grounds at the Baptist parsonage on Prospect street. Tasty terraces with concrete walks and steps are being added and when the work is completed the property will present a very fine appearance.

It is now expected that the unveiling of the tablet in memory of the Wolfville boys who fell in the Great War will take place on June 3rd, if the necessary arrangements can be completed by that time. Further particulars will be given next week.

There will be a Recital of Sacred Music in the Opera House, Sunday night, from nine until ten o'clock, the program to consist of solos, duets, trios, and male quartette. The closing number will be The Festival The Deum in E flat by Dudley Buck, sung by thirty voices. This is given by Mrs. Richmond assisted by her pupils, at the request of many of her friends. A silver collection will be taken.

## CAMP GROUND PROPERTY NARROWLY ESCAPED DESTRUCTION BY FIRE

Berwick town and the Camp ground property in particular, had a narrow escape on Friday last from devastation by fire which broke out on the hospital site at the north-west corner of the Camp ground. Just how the blaze originated is a mystery and will no doubt continue to remain so. Fanned by a heavy wind the fire spread rapidly and it was only through the strenuous efforts of Capt. Robbins and a number of assistants that the Captain's buildings and the Camp ground property was saved from destruction. The fire was checked only a few feet from the fence at the corner of the Camp ground. Luckily the wind was blowing heavily from the south-west, otherwise the consequences would have been most serious. -Register.

On Tuesday evening of this week a miscellaneous shower was given Miss Violet Sleep by Mrs. W. C. Bleakney. The rooms were thronged with friends of the bride to be. Mrs. Sleep on behalf of her daughter, thanked the donors of the dainty gifts and assured them of the deep appreciation with which they were received.

## Chiropractic Health Talk

Health For  
Heart Disease

(By G. J. Randall, D. C.)

There is no more terrifying disease than heart trouble. The Victim lives in constant fear of over-exertion. The emotional exhilaration of exercise is denied them. A child so afflicted is particularly unfortunate. Chiropractic spinal adjustments restoring a normal flow of spinal nerve impulses into the heart and adjacent muscles is a directly effective and scientific method of getting at troubles of this character.
