For U.S. President?

When Henry Ford was asked by Montreal reporters if he would run for President of the United States, he said, "I am not running for or against anything", but when asked if he would accept nomination if proffered, the motor car king replied: "No one knows what they will do from one day to another."
Mr. Ford is here seen in conversation with Mr. Grant Hall, vice-president of the Canadian Pacific Railway, at Windsor Station, Montreal.

A FLAT CONTRADICTION

The following telegram received by us today is self-explanatory and strongly refutes Chatham "World's" statement.

Toronto Oct. 9th 4:45 p. m.
Union Advocate
Newcastle, N. B.

Our attention has been called to Editorials in Semi-Weekly "World" of Chatham dated October Sixth in which it is stated that operations on Cresoting Plant pollutes the air by reason of the fumes from Plant and otherwise intimating that plant would be a nuisance and that only foreigners of the lowest class could work in same.

There is absolutely no truth in such allegations made in Editorial.

No objections or complaints of any kind have been made as a result of our plants operating in Trenton, Ontario for upwards of eleven years and in Sudbury, Ont. for three yrs. and North Transcona Manitoba for two years, all plants immediately adjacent to municipalities.

Would ask you to give publicity to this communication and would be glad to have you make enquiries of above places which will fully substantiate all statements.

A DISINTERESTED OPINION

Saturday's World contained an article concerning the new cresoting industry which is contemplating coming to Newcastle, and stated that a former resident of Newcastle had informed the "World" that he had come from a town in the United States where succa plants are operated and that the air for miles around was polluted by the fumes of such plant, which was unpleasant and injurious to the health of those employed and also that the class of labor was of the lowest type such as Russians and Slavs. Alderman John Russell, manager of the Maritime Produce Company of Newcastle, which is a branch of the Maritime Hide Co., whose head office is in Victoriaville, Que., wired the President, Mr. A. A. Parody, who has furnished many railway ties to the same company (which purposes coming to Newcastle) at Trenton, Ontario, and who has personally been over their plant at that place, asking him to advise him immediately by wire if the report contained in the "World" was correct, and Mr. Russell has received the following telegram in reply:

"Cresosote cannot be much nuisance; labor employed should largely be yours."

(Signed) A. A. PARODY
No doubt Chatham would have liked it had been selected for the location of this new industry. Had such been the case, a great whoop would have gone forth from that community. If the proposed new cresoting plant becomes a nuisance, Newcastle will take care of that when the time arrives, and Chatham need not worry. We have yet to learn of a cresoting plant being ordered out of any community.

SEWING CIRCLE GOSSIP

There was some discussion at the Circle this week as to the time of day when a cup of coffee tastes best. Some said one time and some said another, but we were all agreed that a good, strong cup of LUXOR coffee was more than acceptable at any time. LUXOR seems to be growing in favor among "circle" members every day. We circle members do love our coffee.

London, via Liverpool:

The S. S. Digby carried with her when she sailed a substantial shipment of Moir's Chocolates for the Motherland. Which is quite in keeping when you remember that mothers like Chocolates.

But sometimes we forget.

That's a good idea of the Mission Priest's—he advises the men folk to bring home a box of chocolates to their wives occasionally, just as when they were sweethearts.

If Cleopatra lived up to her press notices she was a beauty. That's why, perhaps, Moir's Cleopatra Biscuits are so named.

Say it with sweets.

PROF. LISCOMBE ENTERTAINED LAST EVENING

Last evening in St. James' Hall the congregation of St. James' Presbyterian Church entertained and made presentations to Prof. F.J. Liscombe, on the eve of his departure to New York City. During a raising program, the Professor was presented with a purse of gold by Mr. J.M. Troy, on behalf of the Church Board of Trustees and with a silk umbrella by Mrs. Annie Sweezy on behalf of the church choir.

Mr. Liscombe, who has been organist and choir Master of St. James' Church for the past two years, has resigned his position and left for New York this morning. Personal business interests in New York City has reluctantly called Mr. Liscombe from Newcastle and his loss will not only be keenly felt by St. James' Church, but by the entire community. Since his coming to Newcastle, the musical atmosphere of the town has had a pronounced tendency upwards and being a gentleman of high musical attainments was always ready and willing to assist in uplifting the musical standards of the town.

It is possible that Mr. Liscombe may again return to Newcastle during the winter months and resume his position as organist of St. James' Church and also his class of pupils.

If such occurs Mr. Liscombe will again be heartily welcomed in our midst.

The following is the program carried out last evening:

Remarks—Mr. J.M. Troy, Chairman.

Duet—E. Ryder and D.J. Gulliver.

Violin Solo—Mrs. Codner.

YOUNG - ADAMS CO. HERE NEXT WEEK

At The Opera House, Newcastle Monday Tuesday and Wednesday, Oct 15 th, 16 th & 17 th.

The most popular show to visit Newcastle, headed by H. Wilmot Young and Marjorie Adams, known to all will be here and give us a real treat. Mr. Young has long catered to Newcastle and has never failed to please his hearers and patrons. Marjorie Adams this year has a wonderful play in the opening play, particularly Dora Dean, after the book, perhaps a more appropriate title would be, modern Cinderella, for that is just what she is.

Miss Adams has some wonderful dress creations as usual. This always appeals to the gentler sex and we notice that the men, too, are good lookers when something nice appears.

There will be six vaudeville acts this year, and all new. No tiresome waits between the acts. Mr. Young promises something doing all the time.

Tuesday night will be thrill night when New York's latest sensation "Spooks" will be presented. There perhaps is no one but what is interested in ghosts or haunted houses or fortunes and wills.

Spooks is a revelation and the audience are requested to be in their seats when the curtain goes up as none will be allowed to enter during the first act, but no matter what happens during that act you are requested to keep your seats.

Look out for thrills on Tuesday night On Wednesday night "The Girl Without a Chance" Marjorie Adams biggest hit in years will be presented.

This play was especially written for her and is considered the most wonderful of all melodramas, brim full of comedy and reeking with sensation.

Popular prices will prevail during the three night engagement with a complete change of play and vaudeville each performance.

Remember the dates—Oct. 15, 16 and 17th.

Picture Is Thrilling "The Pride of Palomar" Has Theme of General Interest

Here's a thrilling motion picture story. A young American returns from the war expecting to be welcomed to the family ranch in California only to find that it has fallen into unscrupulous hands. What would you have done in his place? What did he do? Well, he had Irish blood in him, so you can undoubtedly imagine that he made things mighty interesting for those who opposed him. Perhaps you've read of it. You have, if you've read "The Pride of Palomar," Peter B. Kyne's great story, which appeared serially in the Cosmopolitan magazine. Now it has been adapted to the screen by the Cosmopolitan Productions for Paramount. Forrest Stanley and Marjorie Daw are the featured players in this big production, which is coming to the Opera House Wednesday and Thursday next. Frank Borzage, creator of "Humoresque" directed.

Big Harvest Festival and Auction, Newcastle Rink, on Thursday October 18th. Games and amusements of every description. Everybody welcome.
