HERE AND THERE IN SPORT

The Bramford Red Sox have secured Catcher Carroll, last year with Jersey City in the International League. The Braves Club also expects to secure by purchase a strong third baseman before the task is over.

Cecile Mack has been introduced in the cellar for so long now that in place of getting new ballplayers he may soon have to send for a few kegs of dynamite and turn it into a blasting job.

A large number of turfmen are anxiously awaiting the announcement of racing in Canada. It has been rumored for some time that the order-in-council prohibiting betting at racetracks would soon be rescinded, but no definite information has been given out at Ottawa as yet. The various tracks on the Canadian circuit have been prepared for racing, so that none of the clubs will be caught napping when the word is passed along. The season is so far advanced that it would be impossible for clubs affiliated with the Canadian Racing Association to have more than one meet this year, but there is no doubt but that the "outlaw" tracks will get in too. The plans for the association call for the opening meeting to be held at Windsor, and then to Fort Erie, Hamilton, Ottawa, Montreal, and wind up as usual at Toronto.

DEMPSEY DIPPED THE BEAM AT 201

Challenger was Chad Only in Swimming Suit and Boxing Shoes. Weighing One Pound.

STOOD IT ELEVEN ROUNDS. Willard Went one Short of the Full Distance—Joe Chip Speeded up Champ's Glove Work.

TOLEDO, O., June 18.—Jack Dempsey, matched to meet Jess Willard for the heavyweight championship here on July 4th, gave his admirers their biggest surprise yesterday when he weighed himself on a set of tested scales and tipped the beam at exactly 201 pounds. Dempsey was clad only in a swimming suit and boxing shoes, which weighed about a pound.

The weighing was done publicly after a dinner at the challenger's camp attended by Tex Rickard, promoter of the contest; Mayor Schreiber, C. F. Wall, director of public safety; numerous sporting celebrities and newspapermen. Even Jack Kearns, manager of the challenger, looked astonished when the beam passed over the 200 mark. He announced yesterday Dempsey would scale about 185 pounds.

Considerable of a Jolt. The challenger's poundage was considerable of a jolt to admirers of Willard, who had claimed that Dempsey's hand work under a scorching sun would likely burn him out and send him into the ring against the champion in the light heavyweight class at around 180 pounds.

Dempsey appeared to be in perfect condition when he jumped on the scales. There was not an ounce of surplus flesh on his body, which has been burned to a copper color as a result of weeks of exposure to the sun.

Willard boxed eleven three-minute rounds yesterday, one short of the distance he will have to travel if he and Dempsey go the limit in the fourth of July engagement. Joe Chip, a middleweight of Newcastle, Pa., and a brother of George Chip, once middleweight champion, joined Willard's staff of sparring partners and furnished the champion with the most interesting workout of the afternoon.

Chip weighs more than 160 pounds, but he looked like a lightweight against the champion.

Delighted the Big Crowd. He is fast and speeded up Willard's work, to the delight of the big crowd. Willard boxed three rounds with Jack Hempel, two with Chip, three with Jack Hemen, and three with Walter Monahan. He used fourteen-ounce gloves instead of ten-ounce ones to save his sparring partners, who are nursing puffed lips and bruises as a result of the mauling they received Monday.

Had his pants had a hole to do with keeping London such a hot last. But there is no getting away from the fact that the fighters have not had any trouble this season.
