was returning to his home in company with three or four others. When on the way, he ran a short distance ahead of his way, he ran a short distance ahead of his companions, and when they get up to him they noticed that he was staggering, but thought he was only fooling, and passed on and left him. In a few minutes another of the party came along and found a storm is approaching a storm signal station, or station where there is an agent for publishing storm warning. ed to be the cause of death, - Expositor

McKillop. SUDDEN DEATH .- On Monday morn ing, Oct. 27, Mrs. John McIntosh, who employer that I was at liberty to enjourned with her husband, at the house of myself for a while, I determined to round on Friday last. It was duly kept by the youths of this town by prowling round on mischief bent. Their energies were expended principally in the removal of gates, and many a householder has had cause ever since to lament the loss of that article. In some cases fruit trees have been destroyed by cattle who have found their way into gardens through the removal of gates. It is about time these mischievous pranks which are perpetrated on hallow'een found their way in the death are perpetrated on hallow'een found their way in the death are perpetrated on hallow'een found their way in the death are perpetrated on hallow'een found the mount to me for my faithful services, or health up to the time of her sudden in bed. The deceased has been in good in bed. The deceased has been in goo Mr. Archibald McGregor, Sr., Sixth present, be understood in a general sense, neither direction nor force being specified. If there be reason for expectional specified of the sense of

be left to the subjects being "The East" and "The west." One is a view in the White Mountains, New Hampshire, the other gives the Clifts of Green River, Wyoming Territory. The price of the magazine together with the chromosis \$5, and for 50 cents extra the pictures will be sent mounted and varnished. James Sutton & Co., 58 Maiden Lane, New York, are the publishers.

In Wood's Household Magazing for November, the table of contents seems spread for a Thanksgiving feast, and gives evidence that no efforts have been in a stead of appearing at the place warned. The service of the storm is part of chromos, the storm of the storm, the time was placed. Lake Disaster.—A sorious disaster must hayo occurred on Lake Huron during some of the gales of last week, the drum will nevertheless be hoisted on regives the Clifts of Green River, Wyoming Territory. The price of the magazine together with the chromosis \$5, and for 50 cents extra the pictures will be sent mounted and varnished. James Sutton & Co., 58 Maiden Lane, New York, are the publishers.

It is to be understood that the drum is simply cautionary, indicating the existence of the storm elsewhere, and that the probability of its reaching the neighborhood of the place warned is sufficient to call fer vigilance. Bearing this in mind, it will be seen that the display of the drum is justified if the storm, instead of appearing at the place warned. the beach. To-day (Oct. 27) there is a report that seven men have been found

Rodgervillo. PRESENTATION .- On Wedne day last, PRESENTATION.—On wedne day Rest, Oct. 29, a committee representing the members and adherents of Warrensville Presbyterian Church (Rev. Mr. Logic's) waited on Mr. James Murray, the treasurer of the congregation, at his residence, and presented him with a handsome watch and chain. Mr. Murray has been supported by the constant of the confidence of the congregation of the congregation of the congregation. occupied the position of treasurer for over 20 years, and it was in consideration of really frightened. After being conhis faithful services in this office, as well as a testimonial of the esteem felt by the congregation for this as a man and neighbor, that the presentation was made. The watch is one of Russell's best make, and, with the chain, is valued at \$68. The committee who represented the congregation in making the presentation were William Bell, Nicol Shirray and Benjamin Smilley .- Expositor,

New Teacher.—Mr. Rosebrugh has been appointed teacher in the Public School in this place of Mr. Rosebrugh is well recommended and will no doubt till the position with credit and success.

Turnberry

EAW-MILL Accident.—Mr. William Bolt met with a severe accident on Monday, Oct. 20, at Gemmill's Mills. He was engaged in sawing a slab at the butting saw, and, while doing so, by some loss of the persons exhibiting being absent from home we stacles which our suddiers then encounter.

Sate of cultivation, with the drills for turnips exceedingly uniform in width, being about 2 feet 4 inches apart. For those of Mr. Mannapolds and carrots the drills were of the same size except those of Mr. Mannapolds and carrots the drills were of the same size except those of Mr. Mannapolds and carrots the drills were of the same size except those of Mr. Mannapolds and carrots the drills for turnips exceedingly uniform in width, being about 2 feet 4 inches apart. For those apart, the distribution of the same size except those of Mr. Mannapolds and carrots the drills for turnips exceedingly uniform in width, being about 2 feet 4 inches apart. For the same size except those of Mr. Mannapolds and carrots the drills for twenty of the same size except the serior which we were engaged. Under these circumstances the Governor-in-Chief, Sir Charles McCarthy, resolved, if possible, to strike a decisive blow, and undertook, among other military operations, an expedition into the interior, whether with the purpose of proceeding to Coomassicit is not certain, but, but at, all events, in the direction of Coomassic. The ob-hibiting being absent from home we Elimville.

Sudden Death.—On Saturday last, a young man named Routley, about 18 years of ago, died yery suddenly on the roadnear Elimville, township of Usborne. He had been working in the village, and was clared; and was Carter's Imperial which soons. goes, this season to be the most solid and consequently weighing heaviest, for
