**SIX PER CENT. Mortgage Debenture Stock.**

Desirable opportunity for a conservative 6 per cent. investment afforded by the Nova Scotia Steel and Coal Company's per cent. perpetual debenture stock, which we offer at 98 and interest.

The company's property is admirably situated for economical production which is very essential in the Steel and Coal business.

The value of the company's property is appraised by a high official of the company at \$20,000,000. The debenture stock is a direct charge on all these assets, subject only to the \$6,000,000 five per cent. first mortgage bonds, thus leaving assets of \$14,000,000 as security for the \$3,000,000 debenture issue.

Write to-day for full information.
