IT IS ONLY LATELY THAT WE HAVE BEEN HITTING  
**The Men's and Boys' Ready-Made Business.**  
 Therefore as this Department of ours may be somewhat of a stranger to the buying public, we have to give it a little puff. Whilst we do not consider that we are yet  
**"IT"**  
 in this Department, as the present is now a difficult time to start anything, nevertheless we flatter ourselves that  
**We Have Made a "Hit"**  
 with the public with several lines, even if we do say it ourselves. Another thing which we know is sure to make a "hit" is a lot of  
**Men's Striped Worsted Trousers,**  
**at \$5.00 per pair.**  
 This may seem a bit of a price now, but you will not think so in about ten years' time when you will still be getting good wear out of them, and will be able to say "I bought those trousers the time of the War," and if the War is not then over, you will be glad you bought a good pair of Trousers.  
 The material in them is a pre-war English Striped Worsted Trousing, which goods is now impossible to get. It is warm and of wonderful wearing qualities, and we can highly recommend these Trousers.
