Tired Eyes

Sensations exist for our guidance. They are Nature's warnings. Over-worked eyes demand rest. Eyes that tire easily call for help. Properly adjusted glasses afford the only assistance possible. We make a specialty of relieving tired eyes and guarantee satisfaction.

PROTECT YOURSELF

when visiting theatres, churches or other congested places. See that you carry a bottle of **FARFARMIC THROAT LOZENGES.**

These Lozenges are a powerful antiseptic and germicide. By allowing one to slowly dissolve in the mouth they will protect you against influenza and other contagious diseases. Used in this manner they form a pleasant and efficient substitute for gargling.

BRISCOE,

"The Car with the Half-Million Dollar Motor."

WITH FULL EQUIPMENT AND ALL CONVENIENCES.

Two-unit electric starting and lighting, long stroke 3 1/4" 5 1/4" motor; magneto; four full elliptic springs with sofa-type seat springs; Briscoe line body, with special Briscoe lustered finish; 105 inch wheelbase; complete equipment including car man top, hair top holders, tilted eye saver windshield, speedometer, electric horn, electric dash lamp, electric headlights with dimmer, oil gauge, gasoline gauge, ammeter, demountable rims and one extra rim, tires 30 x 3 1/2 all around.

EX S. S. "ADOLPH" JANUARY 10TH.

One Briscoe Touring Car and one four-passenger Sport Roadster. See them at THE GARAGE. Your own eyes will tell you that it is unlike any other car in its size, power and weight class. In appearance and finish we believe you will see in it a welcome departure from the sameness of design and dress which has heretofore marked the ordinary popular-priced car. Mechanically the car is tried and proven. You can shift the gears of the Briscoe with your finger tips so easy are they to mesh. The clutch takes hold without "grabbing" and engages so effectively that you can move the car forward or backward an eighth of an inch at a time if you desire. It is not necessary that you throw your full weight on the brake pedal, just a slight pressure and the brake takes hold.

The weight is evenly distributed so that the car is perfectly balanced and stays on the road no matter what the speed. The Bailey Gearless Differential eliminates side sway, skidding and slipping. Naturally it requires no effort to steer the car.

Full line of Spare Parts by "Adolph". Prompt service assured.

Catalogue and specifications on request.
