I was attacked with congestion of the liver and inflammation of the kidneys, attended with excruciating pains in my side and back Could not lie on either side-could scarcel, breathe. The slightest movement caused agon izine pain, Nothing gave me relief. I sent for Dr. Rear, knowing he had cured by daughter of a dangerous illness with Histogenetic Medicine after she had beengiven up by four skillful physicians, in one week my pain was gone and liver and kidneys acting as well as ever. The term of the more is complete. It sais the most like magic of any medicine I ever took. I sincerely hope that the suffering ladies of Toronto and else where may try the surerior merits of these pure and tastenss medicines. My object in giving this cause is medicines, My object in giving this consistency of the sick and dying.
