THE I. O. G. T. GRAND LODGE Begins Its Fortieth Annual Session.

Two Hundred Delegates Present-Reports of the Chief Templar and Grand Secretary.

Hamilton, June 27.—The 40th annual session of the Grand Lodge of the Canadian Independent Order of Good Templars opened this morning, with F. S. Spence in the chair and about 200 delegates representing every section of Ontario present.

copened this morning, with P. S. Spence in the chair and about 200 delegates representing every section of Ontario present.

REPORT OF CHIEF TEMPLAR.

The report of F. S. Spence, G. C. T., refers to the important work accomplished by the Good Templar Order during the 40 years of its existence. The Ontario plebiacite is referred to as one of the most notable steps in advance yet taken by the Ontario Legislature, and it is expected that it will be instrumental in creating a large revival of temperance sentiment between now and Jan. 1, when the vote will be taken. The royal commission had not received the indersement of the Good Templar Order, yet it was the opinion of the grand chief templar that the forthcoming report would embody a great deal of valuable information. Reference is made to the action of the recent Liberal convention in declaring in favor of a plebiscite for the Dominion, which is taken to mean that if the Liberal party are returned to power and a vote favorable to prohibition were taken, then the party would be bound forthwith to enact a prohibitory law for the Dominion. Considerable missionary work had been done during the year, but the work had been hindered to a large extent for want of funds, consequent upon the reduction of the per capita tax from 12 cents to 8 cents. The grand chief strongly recommends the adoption of the district system as the best for the furtherance of mission work in the order.
