

Men's Wants for Warm Weather

Although we are not a regular gents' furnishing store, we have a great many of the small necessities for men. Along with our London stores, we have our branch stores to buy for, all of which handle Men's Goods very largely. This makes our buying capacity in Men's Goods three times as large as any gents' furnishing store in London. Of course you know the man that buys the largest quantities gets the best price. Read this ad. carefully and you will be convinced.

The result was that before the Mrs. W. T. Westbydone his cause and Christian liberty. He was again on hand last night, and when he heard the council unceremoniously decide to file the so-called protest, he came to the center of the chamber and began to talk.

Ald. Judd was in the chair at the time, the mayor having been called to an ante-room, and he demanded of Mr. Munro to sit down, as his matter had already been disposed of. But Mr. Munro did not pay any attention to the request beyond saying that he

would not do so.
"No, I will not," he said, in a voice that could be heard in any part of the "I ask the council if they have anything to say for or against that appeal. This is my criterion."

With the last remark Mr. Munro laid his Bible on the reporters' table and refused again to be silenced, although the acting mayor threatened to have him removed from the hall.

Mr. Munro went on to say something about the aldermen abounding in their ed them a small slip of paper, with the request that if they printed anything, to print it. With that he left the

ley board just gathers together but does not do very much," said Ald. "Is that a fair statement?" asked "I think it is," answered Ald. Mat-

lagged last night. What was particu-larly noticeable was the absence of a ing of the board, at which Mr. Woollatt, of the L. E. and D. R. R., was expected to make an offer for the extension of the lease, but did not do so. Ald. Matthews should not cast reflections on the Port Stanley board, be-

The letter went to the board. TASTE OF WARD TALK.

There appeared to be a possibility at talk which was so common at the to the finance committee the committee having no funds for cident occurred on the evening of the that purpose. Ald. Matthews, who that purpose. Ald. Matthews, who hoard of works, together with the following the cater to the away." The result was that before the matter was finally disposed of half a dozen of the aldermen had moved for lights, and it was noticeable that in only one instance were the lights would only one instance were the lights wanted store. in sections very far from where the aldermen resided. Half a dozen amendments to the amendment were

to be placed-for a while at least.

THAT WOOD CONTRACT.

figures in the tender appeared to be pretty high. He had shown the con-tract to the members of the committee only, he added, and to no others, thinking the members were men who had sufficient control of their tongues to keep them quiet. But it seemed that all of them were not. Ald. Becher, Wyatt, Cooper, Judd and Matthews voted in favor of paying the high price. The balance of the council favored the reference of the matter to the committee for further consideration, which carried

The report of the board of works was adopted without discussion or amend-ment, and that of the finance committee also went through unchanged. The most important recommendation in the latter was that relating to the new agreement between the city and county for the maintenance of the court house and jail. The clauses were explained by Ald. Judd, chairman of the committee, and everything was satisfactory to the council.

A QUIET, REBUKE.

matter deserved consideration for the

Matthews and Ald. Greenlees had a slight difference at the last meeting of No. 3 committee. The committee reported that only one tender had been received and a motion to accept it had

been negatived. The prices quoted were \$7 80 and \$7 90 a cord, according to the section of the city where it was to be delivered, and Ald. Matthews urged its

acceptance by the council on the ground that he had been told by a coal and wood merchant that the price was not unreasonable, and also that the city

should support the men that pay taxes

The object of some members of the committee in wanting the matter laid

A report of the reception committee recommended payment of accounts for \$493 80, expenses incurred in connection with the entertainment of Lord the total in the neighborhood of \$550.

ASSISTANT CLERK APPOINTED.

There were three applicants for the power rerguson dropped out, receiving five votes, as against seven for each of the other two. The second vote was favorable to Mr. Robinson, who received six votes to four for Mr. Falls. Mr. Robinson was declared elected. No. 3 committee will deal with a letter from Engineer Graydon calling at-

tention to the refusal of chimneysweeps to clean chimneys, and suggesting that a person be appointed to make them responsible in some way, or license them. On the application of J. F. Kerns, the

council unanimously decided to remit the taxes on the Y. M. C. A. Messrs. John Bowman and Charles Glass ap peared before the council in support of the petition. The council confirmed the arrange-
