COBALT CAMP ALSO PRODUCES GOLD

Deposits That May Lead to a Showing Worth While.

Toronto, Jan. 7.-The best news of the mining world today was the authenticated report of the discovery of practicable gold deposits on the Violet property, one of the La Rose group. A dispatch which appears elsewhere on 6c per lb; cake, No. 1 stock, 61/2c this page says that free gold has been discovered in quantity. This discovery is of immense importance to the whole Cobalt camp, and the Larder Lake will perhaps have to do something to maintain its reputation as a gold-producing

The mining share markets, on the whole, were steady to firm, with Silver Leaf making quite a flutter.
