#### To Have Perfect Skin Throughout the Summer

These days the face needs special care and attention. Flying dust and dirt, the beating sun, are severe on any skin. Their despoiling effects are best overcome by the application of pure mercolized wax. This keeps skin and pores in a cleanly condition, the complexion beautifully white and spotless. Discolored, freekled or roughened cuticle is actually absorbed by it. One, ounce of mercolized wax. obtainable at any drug store, is sufficient to completely renovate a soiled complexion.
