Settlers in Bruce County.

position was "The Life of the Early Settler," and the incidents in the

essay are all true, many of them being contained in "The Ontario Public School History" and in "The History of the County of Bruce." The composition is as follows:

THE LIFE OF AN EARLY SETTLER.

United Empire Loyalists came to Canada, Ontario, Quebec and the

naritime provinces was all the Can-

ada there was, and these provinces rapidly filled up, chiefly with Scots-

nen.
From the island of Louis came

ship bearing several families who for the most part had been fisher folk on their native isle, and were not

familiar with the work that lay be-fore them. Sailing up the river St.

Lawrence, past Quebec and Montreal,

through lakes Ontario and Erie, through the St. Clair River, they en-

tered Lake Huron, and, following the eastern shore, at length entered a small cove on a small island off the

mainland of what is now Bruce

Next morning, the men, each armed

to the mainland, and each going in a

different direction, they began their journey inland to find a suitable place

for settling. A few days later found them all hard at work, cutting down

ed, and scrubbed in the house. In this way they helped each other, so

that in the required time the govern-
