guaturan, "11. Legres, ne will hever allow it."

"Of course he wouldn't, he never allows anything hardly, but then I ne er ask nim when I particular, want to do anything, so he seldom knows any of my escapades?"

"No, he dines with a Ciey Company to-night. He won't see me tonight in any case. It he does hapten to hear of it he wouldn't mind mosch—not when it is over and done with. Oh! I shall be quite, quite sale."

"Look here, Miss Staunton," said Feaufort, seriousiv "it's awfully kind

"Look here, Miss Staunton," said Peaufort, seriouse "it's awfully kind and sweet and good of you to want to go and see thhis sie's child, but Benser Road, Hammersmath, is no place for you, especially at night. Nowdo be guided by me in this. Let the cook—I've no doubt she's a highly respectable person very well able to take care of herself-go, and report the result to you. Believe me, it will be much the best in e ery way."

For a moment she seemed inclined to give way. Then she looked up'at

head.

"No, I can't give it up— I must go. You see it's like this. I promised the boy I would go, and he expects me. Now if I break my promises to him, how can I
