## GOVERNOR ASSENTS TO BILLS PASSED

Measure Introduced to Deal With  
the Kootenay Coal  
Licenses

### AMENDMENTS TO RAILWAY ACT

Progress Made With Business at  
Yesterday's Sitting of House—  
Easter Adjournment

The assenting to a number of bills  
passed through the house  
since the opening of the session by  
his honor the Lieut. Governor,  
thereby making them operative law,  
the introduction by Chief Commissioner  
of a bill entitled "An Act  
to Amend the Coal Mines Act," which  
is the promised legislation proposed  
to validate licenses for claims in the  
district of Southern Kootenay, and the  
passage of two measures referring to  
the Slocan municipality were the  
principal matters before the provin-  
cial legislature Wednesday afternoon.  
The session was a busy one, evident  
from the display by the govern-  
ment, as well as by individual  
members on both sides of the house,  
to dispose of as much business as  
possible before the adjournment for  
the Easter holidays. Decisions of  
the reason enactments which, other-  
wise, might have called forth consid-  
erable debate were altered, and passed  
with comparatively little comment.

Rev. G. K. B. Adams read prayers.  
Prayers being called for by Mr. Mc-  
Phillips introduced one from the Wil-  
low River Gold Mining company in  
opposition to the measure known as  
"An Act Respecting Slough Creek,  
Ltd." The speaker drew attention to  
the fact that it did not bear the seal  
of the company. On motion, however,  
it was agreed to overlook this omis-  
sion. The petition, therefore, was re-  
ceived.

Mr. Gordon moved that the bill "An  
Act to Amend the Vancouver Incor-  
poration Act 1900" should be read a  
first time and referred to the private  
bills committee.  
The premier submitted a measure  
entitled "An Act to Amend the Brit-  
ish Columbia Railway Act." It was  
read a first time and placed on the  
order paper for further consideration  
at the next session. The amendments  
this measure proposes to make in the  
original measure are simple. It con-  
templates, by its provisions, in in-  
troducing new regulations in respect  
to the area of land to which the rail-  
ways shall be entitled to utilize with-  
out the consent of the proprietors. The  
changes which it will bring into force  
are of some importance. In some par-  
ticulars it decreases the privileges of  
the companies and in others it op-  
erates in the reverse way. In a word  
it involves a re-arrangement of the  
game now in vogue.

The most important sections of the  
bill are as follows:

"If the land which may be taken  
without the consent of the proprietor  
thereof.  
"For the right-of-way shall not ex-  
ceed thirty yards in breadth, except  
in places where the land is less than  
it is proposed to be, more than five feet  
above or below the surface of the ad-  
jacent lands, when the additional  
width may be taken as shall suffice for  
the grading and construction of the  
road and to accommodate the  
slope and side ditches.  
"For stations, depots and yards,  
with the freight sheds, warehouses,  
wharves, elevators and other structures  
for the accommodation of traffic in-  
cidental thereto shall not exceed ten  
miles in length by five hundred feet  
in breadth, including the width of the  
right-of-way.  
"The places at which such extra  
breadth is to be taken shall be shown  
in the map or plan or plans of the  
proposed line, and shall be as near as  
practicable to the line shown on the  
map or plan, and shall not be taken  
from being taken, provided it  
be taken upon the line shown on  
the map or plan, and shall not be  
taken from such line."

"The provisions of this act shall  
be held to apply to any railway  
which has already deposited its map  
or plan and book of reference.  
A report from the railway com-  
mittee was presented by Mr. Mac-  
donald as follows:

The preamble of the following  
bills: Bill (No. 56) "An Act to Re-  
vive, Ratify and Confirm the Queen  
Charlotte Islands Railway Company  
Act of 1905." Bill (No. 57) "An Act to In-  
corporate the Bentinck Arm and Queen-  
Island Railway Company."  
Bill (No. 58) "An Act to incorporate  
the Rainy Hollow Railway Company."  
In behalf of the standing committee  
on private bills, the speaker sub-  
mitted the following report:  
That the preamble of bill (No. 56)  
entitled "An Act respecting the Se-  
curities Corporation of British Colum-  
bia, limited," has been proved, and  
the bill ordered to be reported with  
amendments.  
On motion it was received.

Mr. Oliver asked the hon. the chief  
commissioner of lands and works the  
following questions:

1. Was a ditch constructed at or  
near Glenvalley at the cost of the de-  
partment?  
2. If so, has the government any  
control over such ditch?  
3. If so, to what extent does the  
government control such ditch?  
4. Have the government given per-  
mission for any person or persons to  
use such ditch for logging or other  
purposes?  
5. If permission has been given, is  
the government responsible for the  
damages caused by the backing up of  
the water in such ditch?  
6. If the government is not respon-  
sible, who is?

The Hon. Mr. Fulton replied as fol-  
lows:

"1. 2 and 3. The government gave  
the sum of \$6,011.75 to the Glen Val-  
ley Dyking district to acquire habi-  
tations in connection with certain works  
performed, on the understanding that  
all the government was relieved of all  
further expenditure and responsibility  
in connection therewith. In the  
supplementary estimates for the year  
ending June 30, 1907, the sum of \$6,  
011.75 was appropriated for this  
purpose. Authority for this was  
contained in order in council, No. 335,  
1906.  
"4. No.  
"5. Answered by reply to No. 4.  
"6. Unable to say."  
Mr. Hawthorthwaite asked the hon.

the premier the following question:  
Is it the intention of the govern-  
ment to introduce legislation at the  
present session of the house provid-  
ing for the granting to the City of  
Nanaimo of a portion of the coal tax  
collected, by which means hereafter to  
be collected, from the mines within the  
corporate limits of the City of Nanai-  
mo?

The Hon. Mr. McBride replied as  
follows:  
"No."  
Kaien Island  
Mr. Gordon asked the hon. the pre-  
mier the following questions:

1. What steps, if any, have been  
taken by the Grand Trunk Pacific  
Railway company to survey the 10,  
000 acres of land on Kaien Island  
granted them for the Pacific terminus?  
2. Can any selection of the one-  
quarter area to be re-conveyed to the  
country be made before such survey?  
3. Has the Grand Trunk Pacific  
Railway company prevented British  
subjects or others from landing on  
this area, which was granted them as  
a townsite and for public purposes?

The Hon. Mr. McBride replied as  
follows:  
"1. The government is not aware  
that any steps have been taken by the  
railway company to survey the lands  
granted by the province for the Pa-  
cific terminus.  
"2. No.  
"3. The government has no knowl-  
edge of any instance of persons hav-  
ing been prevented from landing on  
the townsite."

Mr. Oliver asked the hon. the chief  
commissioner of lands and works the  
following questions:

1. Has the government received any  
report either by petition or other-  
wise, asking for a lease of any por-  
tion of the central park government  
reserves?  
2. If so, what action has the gov-  
ernment taken, or proposes to take,  
in connection therewith?  
The Hon. Mr. Fulton replied as fol-  
lows:

"1. The matter is receiving consid-  
eration.  
"2. The report on the bill entitled "An  
Act to Amend the Interpretation  
Act" was on motion adopted. It was  
passed through its third reading without  
discussion and finally passed.  
The consideration of the report  
upon the measure termed "An Act to  
Incorporate the British Columbia Vet-  
erinary Association" was taken up  
and ultimately carried. It was given  
a third reading and then passed on  
the following division:  
Yeas—Macdonald, Jones, Torstion, Ol-  
iver, Macdonald, Brewster, McInnis,  
Taitlow, McBride, Fulton, Ellison, Bow-  
ser, Ross, McPhillips, Thomson, Ter-  
ter, Cotton, Gordon, Taylor, Macgowan,  
Grant, McGuire, Behnen, Young, Haw-  
thornthwaite.  
Nays—Henderson, Jardine, Williams,  
Hawthornthwaite."

"An Act to Amend the Investment  
and Loan Societies Act" was consid-  
ered on report. It was read a third  
time and passed without discussion.  
The speaker then announced that  
it was the intention of his honor the  
lieutenant governor to assent to a  
number of bills which he was expected  
to enter the legislative chamber at 3  
o'clock. He declared a recess of half an  
hour, after which the bills mentioned  
by the lieutenant governor took the chair.  
The titles to the following bills were read  
by the clerk of the house:

"An Act for Licensing Non-Regis-  
tered Commercial Travellers, Agents  
for Sale of Liquors and Tobacco."  
"An Act relating to Trade and other  
Licenses outside Municipal Boundar-  
ies."  
"An Act to amend the 'Assessment  
Act, 1904.'"  
"An Act to Ratify an Order in Coun-  
cil regarding Probate Duty."  
"An Act Regulating the Hours of  
Labor in certain Industries."  
"An Act to amend the 'County Courts  
Act.'"  
"An Act to Assess, Levy and Collect  
Taxes on the Property of Railway  
Companies."  
"An Act to amend the 'Investment  
and Loan Societies Act.'"  
These were formally assented to in  
his majesty's name, after which his  
honor retired.

Debate Adjourned  
The adjourned debate on the second  
reading of the bill entitled "An Act to  
Aid the University of British Colum-  
bia by a Grant of Provincial Lands" was  
continued on report until after the holidays.  
The motion was made by Mr. Hend-  
erson and agreed to by the government.  
Southwest Kootenay License

Hon. Mr. Fulton introduced the sec-  
ond reading of the measure known as  
"An Act to Amend the Coal Mines  
Act" by delivering a brief explanatory  
address. He stated that it provided  
for the ratification of an order-in-  
council under the terms of which  
licenses were issued for holdings in  
Southeast Kootenay. He pointed out  
that much of the land in that district  
had been staked and re-staked, and  
that difficulty had been met with in  
determining the rightful owners of  
different sections. In the hope of  
clearing up the trouble as much as  
possible the government had passed  
an order-in-council providing for the  
issuance of a specified form of license,  
which would be delivered to the holders of  
these certificates would only be en-  
titled to retain their claims upon their  
being able to prove their right to their  
ownership. Subsequently there had  
been considerable litigation and the  
courts had decided that the order-in-  
council referred to was illegal, which,  
of course, made invalid those licenses  
issued in accordance with its pro-  
visions. The bill which was submit-  
ted was intended to make these cer-  
tificates valid, thus permitting the hold-  
ers to go to law so that their claims  
to the properties in question might be  
decided in a legal and just way.  
Briefly, the enactment proposed vali-  
dating the licenses issued under the  
order-in-council.

On motion of Mr. Macdonald the de-  
bate was adjourned.  
The bill, as submitted, reads in part  
as follows:  
"The order-in-council approved the  
4th day of June, 1904, prescribing the  
form of license to be issued under the  
'Coal Mines Act,' being chapter 137 of  
the revised statutes of 1897, and an-  
nouncing that the government is open-  
ing to applicants for license to pro-  
spect for coal and petroleum on  
lands situated within the block within  
Kootenay district, and all licenses is-  
sued, or to be issued, pursuant to said  
order-in-council are hereby ratified  
and confirmed."  
"Section 9 of said chapter 137 is  
hereby amended by adding thereto the  
following sub-section: 'There shall be  
a right of appeal to the full court of  
the supreme court of British Columbia  
from every decision of the county  
court or a judge thereof hereunder,  
which may be exercised by any person  
affected by such decision, in the same  
manner and subject to the same laws  
and rules as are applicable to appeals  
from final judgments in actions tried  
in the county court.'"  
The said chapter 137 is hereby fur-

ther amended by adding thereto the  
following section as section 34: 'Any  
holder of a license to prospect for coal  
or petroleum or for coal and petro-  
leum issued under this act, including  
licenses issued or to be issued under  
the provisions of said order-in-council,  
approved the fourth day of June, 1904,  
or the assignee of such holder, and  
any such license applies to any land  
or reserved crown lands, or to oc-  
cupied crown lands, and whether such  
license contains or does not contain  
any special terms or provisions, may,  
after having had his location surveyed  
and the survey filed in the department  
of lands and works, and notice thereof  
published in the British Columbia Ga-  
zette, apply by petition to the county  
court of the county in which the land  
is situated, for a declaration that such  
holder or assignee is entitled to re-  
ceive a lease of such land under this  
act; such petition may be addressed to  
the judge of the said court or to any  
judge lawfully sitting and acting  
therein, and may be heard and de-  
termined by any judge lawfully sitting  
and acting therein; such petition shall

petitioner claims to be entitled to the
