

10,000 PICNIC AT SPRINGBANK

Many Organizations Enjoy Holiday Outings At Park.

MANY FAMILY PARTIES
The Weather Man Smiles On the Holiday.

Ten thousand picnickers enjoyed Dominion Day at Springbank Park yesterday. Games, games and picnic antics of every kind conceivable. The weather, cool, fresh and clear, could not have been more perfect. No picnic could have been more perfect.

The 200, the beautiful river bank and the Amusement Park were thronged with unprecedented multitudes of holiday makers who filled the woods and open fields of Springbank with shouts and laughter.

Every space in London's magnificent playground was filled with happy children and grown folk acting like those of the holiday. Every diamond had its crew of baseball flirts and gallery of onlookers urking on the players, cheering, criticizing or relieving as the spirit moved them. Every table had its double row of hungry faces, talking excitedly the events of the day between mouthfuls of sandwiches and pie.

Family groups by the hundred, Sunday school classes, church groups, societies, reunions and commercial companies alike celebrated the glorious first of July in the loveliest playground of Western Ontario.

MEMORIAL TO MEMBERS OF 1ST. BATTALION PROPOSED

Suggestion Made At Reunion of C. E. F. Unit At Chatham; With Form Parent Association With Headquarters Here.

Special To The Free Press.

CHATHAM, July 1.—Machinery was set in motion today at a reunion here of former comrades of the First Battalion, C. E. F., which will result in the formation of a parent association with headquarters in London.

A parent organization is necessary, it was pointed out by the speaker, to be able to do the things which the veterans of the First Battalion are doing. The speaker, who was the late Lt. Col. H. D. Smith, R.C., of this city, addressed the formation of a parent association and the erection of a monument to the members of the First Battalion.

"I don't think it is in good taste to blow our own trumpet, but at the same time I don't think anybody will be doing it," he said.
