STRANGE NATIVE RITES

In the virgin forests of that wonderful land, Australia, the ancient natives practised their weird and mysterious rites of healing. Much of their ancient lore will never now be known by modern man. Some of it, however, is known in certain quarters, and even modern scientists have been amazed at the deep knowledge of medicinal plants possessed by these ancient natives. When discovered by Capt. Cook, the great explorer, he wrote of them:—"I did not observe amongst them any sign of disease. Old men without hair and teeth were full of life and activity." This wonderful health was found to be due to the fact that they used certain herbal essences as medicine. What stronger proof could be had than this, of the fact that the herbs of the field and the trees of the forest constitute nature's medicine chest for mankind? In Bileans for Biliousness, the great Australian household remedy, you have the finest known medicinal essences. From coating to kernel they are purely vegetable. They are an absolutely natural remedy for indigestion, headache, biliousness, constipation, piles, and all disorders arising from liver and stomach disorders. It is now well known that liver medicines hitherto in use mostly contain bismuth, mercury, and other harmful mineral products. These mineral constituents are very injurious if taken for long, and produce such effects as that of loosening the teeth, causing the hair to fall out, etc. Bileans are entirely different and superior. They are purely vegetable, and contain no trace of any such harmful ingredients as the above. They cure that which they are taken to cure, and do not leave behind them evils worse than the original ones. Bileans are mild in their action, and are thus suitable for the most delicate constitution. They never cause griping or pain. Taken at night, they work while you sleep—toning up and stimulating the liver, strengthening the digestive organs, removing the causes of headache—and when you awaken it is to feel "like another person altogether," as the saying goes. Bileans cure headache, constipation, piles, liver trouble, indigestion and all digestive disorders, female ailments, skin eruptions, biliousness, sick headache, bad taste in the mouth, foul breath, dizziness, fainting, buzzing noises in the head, feelings of uncomfortable fullness even after a light meal, anaemia, debility, etc. They also act as a general tonic, and by improving the tone of the whole system enable it to throw off colds, chills, etc. They improve the general circulation, and are a boon to pale faced girls and weak women. All druggists sell at 50 cents a box, or post free from the Bilean Co., Toronto, on receipt of price.

Diet Not The Whole Thing.

Your table is loaded with food—digestible and wholesome, yet you never gain strength. What's the trouble? Look within and what do you find? A lazy liver, stomach overloaded with work—useless work because the bowels and liver are not sufficiently active. Relief is quickly supplied by Dr. Hamilton's Pills. They make weak folks strong by removing the cause of the weakness. Digestion improves, constipation leaves, liver takes new life, kidneys wake up,—the whole system is enlivened by Dr. Hamilton's Pills. No better medicine for the sick or well, 25c at all dealers.

C. P. R. Big Bank Account.

The Montreal Star says:—"One account alone that puts the Bank of Montreal in a position to do big things is the Canadian Pacific's. In these piping years of prosperity the C. P. R. "cash on hand" account may run anywhere from \$15,000,000 to \$25,000,000, and this money is at the disposal of the Bank of Montreal. The bank is always in a position to know when big withdrawals are to be made and can govern itself accordingly. In every way the C. P. R. account is an ideal one and it is one of the accounts that helps to make the Old Lady of St. James street a big bank, and puts it in a position to show no hesitancy in acting in a crisis as it did in the Ontario Bank affair."

Good Reasons For Its Success.

The majority of catarrh remedies are useless. But one that does cure is "Catarrh-ozone." It clears the head of all mucous discharge. Putrid matter in the nostrils, phlegm in the throat, and disease germs are completely swept away. The cause of the disease is destroyed, its results are destroyed, and the system so thoroughly cleansed of catarrhal poison that cure is permanent. All types of catarrh, throat, and bronchial trouble, colds and coughs are more certainly cured by Catarrh-ozone than anything else. Two sizes, 25c and \$1.00 at all dealers.

Poultry Raising.

A great and profitable development of poultry raising as a farm industry will be an important feature of the forthcoming annual report of the Ontario Department of Agriculture.
The progress made in this branch of agriculture during the past year is understood to have been phenomenal. The demand for information on poultry has been so great that extra and supplemental bulletins have had to be issued.
Some interesting figures not yet made public are foreshadowed in the coming report.

Mr. and Mrs. Mark Wellington, who number among the oldest settlers of Lambton county, quietly celebrated the 50th anniversary of their marriage last week at their home on the lake shore road. Mr. and Mrs. Wellington were kindly remembered by various members of their large family who dropped in during the day. Mrs. Wellington's sister, Mrs. Thos. Houston, of Sarnia, was presented on the occasion, the same date being her 80th birthday. The two sisters arrived in Sarnia in 1833, and have resided in the immediate neighborhood since that time.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it to be incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's catarrh cure manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
