Put up the shingle, burn the strap And throw the switch away. We do not even need to say "That kid" - doesn't matter. Just send him to the "Eale" That is the latest. He'll cut the bad away And make him

No more need. They call it "playing hook" - All torn by ac. The surgeon says "out" Younger Willie's ad. And if this stunt should chance to fall Still pa need not get blue. Besides, some youngsters are so gay And of all good bereft That if they cut the bad away, Why, there'd be nothing left.

The boy who stayed away from school - They call it "playing hook" - Will get to love his teacher's rule, And just adore his book. The bad boy, who just wouldn't mind For anything on earth, Will be made gentle, sweet and kind - A paragon of worth.

Great stunt is this - oh, yes, indeed! For others' kids it's fine, But for my own - well, I don't need A surgeon's help for mine. Besides, some youngsters are so gay And of all good bereft That if they cut the bad away, Why, there'd be nothing left.

## This Medicine Is Breathed!

Have You a Cold? - It Can Be Completely Cured By

## Catarrhozone

It Quickly Cures Whooping Cough, Grippe, Bronchitis, Catarrh, Hay-Fever, Asthma, and Colds.

Catarrhozone is not like other remedies, but is so healing and soothing that when it is breathed through the inhaler it kills the germs that cause diseases of the throat and lungs. Catarrhozone quickly soothes and heals the mucous surfaces so that in a short time the whole mucous lining is healed.

If you are subject to throat irritation or have a tendency to consumption you should use the "Medicine that is breathed." Thousands who have used it tell of its merit. Air which you breathe through the Catarrhozone Inhaler carries healing to the very spot affected, and there is no chance of failure by going to the wrong place. That is why it cures.

## Catarrhozone

Approved by Doctors, Druggists, and thousands of Canadian people who have used it. Little drops of healing for weak places in the throat and nasal passages - that's Catarrhozone. Three sizes, 25c., 50c., and \$1.00, at druggists or by mail, postpaid, from The Catarrhozone Co., Buffalo, N.Y., and Kingston, Ont.

An odd shipment was recently made from Leamington on the electric railway in the form of a box containing 200 live frogs from the Pelee marsh consigned to Eastern points.

## Shiloh's Cure

quickly stops coughs, cures colds, heals the throat and lungs. 25 cents. Most women are two-faced, to judge them before and after making up. Lots of people are sure they are right who never go ahead. It is estimated by a professor that 13,000,000 feet of lumber is wasted each year in discarding the unused stubs of lead pencils. He might now figure out how much lumber is wasted in throwing away match ends and tooth picks and estimate how much time is wasted by professors in useless estimating.
