L. O. NEILY'S Fertilizer.

For the Crops of 1881. Containing over nine Fertilizing Ingredients, the largest of which is Pine Bone, a Stimulant for all Crops, especially Wheat and Root Crops.

ALSO.

Agent for the Standard Fertilizer, one of the best made in America. I will also supply he material to any person wishing to make their own Superphosphate, very low for Cash. 1 can do better for them than by sending away, as I pay Cash and import in large quantities.

TESTIMONIALS.

Ms. Neity.—

Dear Sig:—It is with pleasure I give you my Testimonial in favor of your Fertilizer. I used some on buckwheat last spring at the rate of 150 lbs. to the acre on heavy soil in poor condition. I left one ridge without sowing any of the Fertilizer on it, planning to try ashes, and see which would do the best I forgot to put the ashes on - the result was where I sowed the Suner phate I had a splendid crop, in some places lodged; and the ridge that I left was hardly worth harvesting,—so I am now fully convinced that it is not lacking of strength to force crops. Yours very truly,
PEDEMONT, Jan. 22nd, 1881. JOSEPH NEILY.

MR. Ngh.y.

Dear Sir:—I used the Superphosphate I got from you last spring with good results in the growth of Mangolds and Blood Beets. The former were a good crop, and the latter was the largest crop I ever saw grow. I believe it is all owing to the Fertilizer. It is the first time I have used it, and it has so all owing to the Fertilizer. It is the next year exceeded my expectations. I shall try a lot of it next year.

Vones truly. Stephen Taylor. AYLESPORD, Nov. 10th, 1880. Yours truly,

KENTVILLE, Oct. 21st. 1880. MY DEAR MR. NEILY : I have been much pleased with the Superphosphate you sent me. 'Tis just the thing we want, and I wish you every success in its manufacture.

Respectfully yours. P. M. Holden.

Mr. Nelly.

Dear Sir:—I made use of the two barrels of Fertilizer got from you last

Vones truly. spring, and approve of it very much.

Melvern Square, Jan. 10th, 1881.

Nictaux, Annapolis, January 10th, 1881. MR. NELLY.

Dear Str:—I made use of the Superphosphate bought of you last spring with satisfactory results, and think it the best for the cost in the market, being equal to Bradler's for the growth of crops.

Kingston, Jan. 3rd, 1881.

Yours truly,

A. P. Welton.

MR. Nelly.

Sir:—I am well pleased with the result of your Fertilizer. The crops I raised on it did well. It is just what we farmers need.

Connwallis, Dec. 27th, '80. Yours truly, John Lutz.

In the spring of 1880 I purchased a barrel of Superphosphate, manufacin the spring of loss I parenascu a parter of capterprosphase, manufactured by L. O. Neily, of Aylesford, to see what effect it would have on sandy soil. The potatoes and corn where it was used did remarkably well; in fact better than I anticipated, as the season was unusually dry. I consider the Superphosphate made by Mr. Neily, unsurpassed by any other in the market, and decidedly the cheapest.

Kingston, Jan. 17th, 1881.

Mr. Nemry.

Sir:—I used the barrel of Superphosphate got from you last spring with profitable results in the growth of potatoes and grain, and approve of it very STEPHEN BURNS FOREST GLEE, Annapolis Co., Feb. 9th, 1881.

Mg. L. O. Neily,—
As regards the question from asked me about your Fertilizer, I would may As regards the question for asked the stody state made by L. O. Neily, on grain and root crops, with good results, and believe it indispensable for root crops.

B. H. Nichols. DEMPSY CORNER, Kings Co , Jan. 17th, 1881.

L. O. NEILY, AYLESPOED.

Dear Str:—I have used your make of Fertilizer for two years. I have used two kinds of imported, and yours has given better satisfaction the Rayle. Yours truly, I. L. READ. AYLESFORD, Feb. 15th, 1881. Mr. NEILY. regard to your inquiry regarding the Superphosphate I got of you las spring, I would say I used it under potatoes and Buckwheat mostly, and got a

fair crop. I used it alougside of Bradley's on the buckwheat, and could see no difference. I should prefer yours, as the price is much less.

AYLESFORD, Jan. 22nd, 1884. Yours truly, JAMES PIERCE. Mr. Neilly.

Dear Sir:—It is with pleasure I give you my Testimonial in favor of your Superphosphate. To test it last spring I tried 400 pounds on an acre of old worn out soil, in very poor condition, without any other manure and sowed it to wheat. It grew a splendid crop of straw, and when threshed yielded twenty-one and a half bushels of splendid wheat. I want you to let me have half a Yours truly,

ton next season. Your Borden Mountain, Feb. 6th, 1881. L. O. NEILY.

Dear Sir:—I used the two barrels of Fertilizer I got of you last spring with satisfactory results I used the most of it under potatoes. I got 100 pounds of Bradley's and used side of yours and could see no difference in the Very truly yours, Long Point, Cornwallis, Jan 24th, 1881.

MR. L. O. NEBY, AYLESFORD.

Mg Dear Sir: --In answer to your inquiry as to the result on my farm of the use of your Superphosphate, I am very free to say that the half-ton I used was decidedly advantageous. Applied to potatees, turnips and Buckwheat, although on account of the dry season, the results were not what they otherwise might have been. Still, considering the cincumstances, they were quite satisfactory, and when used side by side with other phosphate and commercial fertilizers, proved fully their equal, while the cost of yours was nearly one-half less. If you can make any use of this statement to your advantage, you have my free consent to use it. Yours truly, B. D. Porran. MIDDLETON, Jan. 27th, 1881.

Me L O NEILY, AYLESFORD. Dear Sir: - You asked me if I could give you a testimonial in favor of your Fertilizer. Most certainly; I used the two barrels got from you last spring, with good results in growing wheat and vegetables. ORIA HARBOR, Feb. 14th, 1891. Yours truly, John M. JAQUES.

Dear Sir: - I used the Superphosphate I got from you, mostly for potatoes, and to the best of my judgment, was about as good as Bradley's. I remain yours, ABRAHAM ELLIOTT. BURLINGTON, CORNWALLIS, Feb. 3rd, 1881

Ma. Nelly.

Dear Sir :- I can add my Testimonial to your Circular with pleasure. I Dear Sir:—I can and my resumentate your Circular with pleasure. I used the most of the Superphosphate I got from you with good results in the growth of turnips. In fact, I think my turnips would have proved a failure without it. I prepared my ground for turnips, ploughing in a small quantity of stable manure, and used the Fertilizer in the drill, and had a splendid crop. I left one row in the centre of the lot, and did not put any of the Superphosphate in it, and that row almost proved a failure—only part of then coming up—and what did did not amount to much. I shall want a large amount next ason. Yours truly, Aylesford, Jan. 26th, 1881.

Mr. Neily.

Dear Sir:—In reply to yours, we would say to the farmers of Kings and Annapolis Counties, that we have used the Fertilizer made by L. O. Neily for the past two seasons, in growing turnips with splendid results, and believe it best in the market, giving us better satisfaction than the imported, as we FAIRVIEW, Jon. 10th, 1881.

MR, NEILY. MR. NELLY.

Dear Str:—In regard to your question, how I like your Fertilizer, I can say I like it splendid, especially on rurnips. I shall want a lot next season.

Yours truly,

ANTHONY MCGARRY. BISHOP MOUNTAIN, Feb. 9th, 1881. MR. L. O. NEILY, ATLESFORD.

MR. L. O. NEILY, AYLESFORD.

Dear Sir: -- The Superphosphate I bought of you last spring, gave splendid results. I think it paid me the best of anything I ever bought. I shall ge a lot of it next season. Yours respectfully,
PALMER ROAD, Feb. 5rd, 1881. HOLMES KIRKPATRICK.

MR. NEILY. Dear Sir:—It is with pleasure that I add my Testimonial with the many others, in favor of your Fertilizer. I had not much faith in it when I got it, but I gave it a fair trial under mangold wortzels, leaving a small piece without any, so as to see if there was any good in the stuff. The result was, where I used the Superphosphate I had a splendid crop, far exceeding my expecta-tions, and where I did not use it the crop was nothing at all, and the land was all alike. Before I put the Fertilizer on, I am now convinced that there is value in it. I shall want a large quantity for next season. Yours truly,

WELTON'S CORNER, Feb. 2nd, 1881. L. O. NRILY, AYLESPORD, N. S.

These are to certify that I have used the Superphosphate, made by L. O. These are to certify that I have need the Superphosphare, made by H. C. Neily, for the past three seasons, and believe it as good as any in the market, and the best for the price, as it costs so much less than the imported.

AYLE-FORD, Jan. 5th, 1881.

H. E. FITCH. MR NELLY-Dear Sir :- The Superphosphate I got from you last spring

gave me good satisfaction. I think it is as good as the imported. Yours truly,
Margaretville, Oct. 15th, 1881. Mr. L. O. Neity—Dear Sir:—I used a barrel of your Superphosphate on oats last season with good results, and consider it equal to Bradley's
