

"Mission of Guinea and Sierra Leone" will have to look, for the means of commencing and sustaining its pious efforts.

To the wants of that Mission, and the best way of meeting them, the attention of our readers is directed in another portion of our journal. The Bishop of Constantina* is to be accompanied to Sierra Leone, with about 15 Missionaries, of whom only three or four are British subjects. Five are Spaniards: and the remaining six or seven belong to a French Missionary Congregation, dedicated, by vow, to the Evangelising of the Blacks. Catholic Charity knows not the Aristocracy of Skin, nor the distinction of Nation. Whether the good to be done remains with the Neophyte, or whether it draws to it, besides, the worldly advancement of some foreign European power, to whose jurisdiction that Neophyte happens to belong, is a question quite indifferent to the Missionary. The Spaniard, who follows his Lordship to the British settlements in Western Africa, will labour there for the good of all, as he would have laboured for the good of his own nation; and although the British Crown, and not the Crown of France, will reap the rich temporal blessings of his zeal and his sacrifices, the French Missionary will emulate in Guinea the glories of the Senegal. Nor does the Continent rest here its charity. The Missionary Congregation of Priests, already mentioned, have undertaken to furnish His Lordship with yearly supplies of Missionaries, from France. "It is on this devoted body," says Dr. Barron, in a letter now lying before us, "that I found, under God, my principal hopes, of making a permanent establishment on the unkindly soil of Africa."

* By some unaccountable blunder, the newspapers call his Lordship's See, Liberia! His wide mission certainly does include that little American settlement.

EIGHT HUNDRED THOUSAND ACRES OF LAND.

TO BE DISPOSED OF IN CANADA WEST (late UPPER Canada.)

No Money is Required Down.

TO OLD SETTLERS, EMIGRANTS, AND OTHERS.

THE CANADA COMPANY offer about EIGHT HUNDRED THOUSAND ACRES OF THEIR LANDS mentioned in the printed List of this year, which are in Blocks containing from 2,000 to 9,000 Acres each, situated in the Western District, and in Scattered Lots, Containing from 80 to 200 Acres each, situated in almost every Township in Canada West, on terms, it is believed, the most liberal and advantageous that have been yet made public. By this new plan, the Company dispose of their Lands by way of LEASE for a term of TEN YEARS,—

NO MONEY BEING REQUIRED DOWN.

The Rents payable annually being only equal to the Interest upon the present upset value of the Lands—thus for example, suppose 100 Acres, being now worth 10s. per Acre, is £50, the Interest thereon is £3, which latter sum and no more, is the amount of Rent to be paid each year—full power being secured to the Settler to purchase the Freehold, and take his deed for the Land he occupies, at any time during the Lease, when most convenient to himself, at a fixed advance upon the present upset price; and of course, thereby saving all future payment of Rents. Assuming the value to be as above, (10s. per Acre) the advance required for the Deed would be 1s. 3d., if paid within the first five years from date of Lease—or 2s. 6d. per Acre, advance, if paid subsequently and previous to the expiration of the Lease.

The Lands offered [excepting only the Park and Town Lots in Guelph] vary in price from 2s. up to 13s. 9d. per Acre—the Rents upon which would be respectively as follows, viz:—

Upon 100 Acres upset price being 2s. per Acre,	Rent would be the whole yearly	£ s. d.	and no more.

In order to afford every assistance to industrious and provident Settlers, the CANADA COMPANY will receive any sum, no matter how small the amount may be, for which their Settlers may not have immediate want, on Deposit,—allowing Interest at the rate of Six per cent. per annum for the same; but it is clearly understood, that the full amount with interest accrued, shall at all times be at the disposal of the Settler, without notice. For this purpose the Company have opened an Account, which is termed "Settler's Provident or Savings Bank Account,"—thus affording to the Provident Settler every facility for accumulating sufficient money to purchase the Freehold of the Land which he Leases, whenever he chooses to do so, within the term of Ten Years; but should bad Harvests, or any other unforeseen misfortunes visit him, he has always the amount deposited, with Interest accrued, at his disposal to meet them.

The Lands are also to be disposed of upon the Company's former plan, viz:—for Cash down, or by one-fifth Cash, and balance in five equal Annual Instalments with Interest.

The Company will remit from Canada any sum of money, however small the amount, to any part of the United Kingdom and Europe, free of all charge. The Company will also remit any sum of money from Europe to Canada, by Letters of Credit upon their Commissioners in the Province free of expence, thus insuring the benefit of the premium of Exchange to the Emigrant, and likewise saving him from the inconvenience and frequent loss arising from bringing his money with him in coin.

The Company, with a view to accommodate Emigrants having no immediate use for their funds will allow interest, at Four per Cent. per annum, for money left with them for any period not less than Ninety Days—the money, however, being always at the Emigrant's disposal, without notice.

Every kind of information upon Canada, and directions, that can possibly be useful to intending Emigrants to Canada, will be readily furnished, free of all charge, by applying personally or by letter, to the Company's Office in England,—Canada-House, St. Helen's Place, Bishopsgate-Street London,

The new printed Lists of Lands, (which may also be seen in every Post-Office and Store in Canada West,) and any particulars, may be obtained, free of charge, upon application (if by letter, Post-paid) to the Company's Office at Toronto.
