# Brood"

Its Management and Cure.

BY D. A. JONES.

**NOW READY** 

This little pamphlet is presented to the Bee-Keeping public with the hope that it may be the means of saving infected colonies from death by fire and otherwise. No expense is required to successfully treat the disease, other than the little time required for fasting. Price, 10 Cents.

# TO CONTRIBUTORS

Communications on any subject of interest to the Bee keeping fraternity are always welcome, and are solicited.

Beginners will find our Query Department of much value. All questions will be answered by thorough practi

cal men. Questions solicited.

When sending in anything intended for the JOURNAL do not mix it up with a business communication. Use differ entsheets of paper. Both may, however be enclosed in

the same envelope. Reports from subscribers are always welcome. They assist greatly in making the Journal intesesting. If any particular system of management has contributed to you seccess, and you are willing that your neighbors should know it, tell them through the medium of the JOURNAL
