THE EXTRACTION OF GOLD

THE MACARTHUR-FORREST CYANIDE PROCESS

Will treat the most rebellious gold-bearing ores of Ontario at a nominal cost, as has been proved by experiments. **The Cassel Gold Extracting Co. Ltd., 108a Hope Street, Glasgow, Control the Canadian Patent Rights** issued as recently as 1895, under their amended specifications, and are anxious to correspond with mine-owners for the introduction of the process. Send samples for treatment, and apply for further particulars to the Company or to the **Canadian Agent**
