

**Life Association of Scotland.**

FOUNDED 1839.

Empowered by Royal Charter and Special Act of Parliament.

THIS ASSOCIATION is one of the most extensive and successful Assurance Institutions in the Kingdom. Although it does not assure Invalid Lives, the business during the last Five Years alone has been as follows:—

New Assurances proposed during Five Years ..... 6530,—for £3,023,807 Sig.  
New Assurances accepted 5372, for ..... £2,466,446 "  
Yearly Average of Assurances proposed ..... 1306,—for £604,761 "  
Yearly Average of Assurances accepted ..... 1074,—for £493,989 "

The Policy Holders incur none of the risks of Partnership, and the Sums Assured are Guaranteed.

The ANNUAL INCOME is now upwards of £125,000 Sig.; and the ample and rapidly increasing FUNDS are invested almost wholly in first class Securities over Land. The Association does not make advances on Personal Security, with or without Assurance Policies; nor does it ever purchase or hold the Shares of other Public Companies, and so become responsible for liabilities beyond its own legitimate business.

A Share of the Profit is allocated annually to every Policy Holder of five years' standing or upwards, and is handed to him in money at the payment of his Premium, which is thereby greatly reduced. The Policy Holders of the first series have thus been required for many years to pay only the following Premiums for their Policies:—

| Age.  | Examples (in Sterling) of Policies for |       |           |       |           |       |            |       |            |       |     |    |     |    |    |
