Ontario.

**YOU CAN
KEEP OUT
BACTERIA
AND DIRT
FROM YOUR
MILK WITH
THIS PAIL**

The STERILAC MILK PAIL is constructed in such a way that the dirt dropping into the opening is caught on the dirt shelf or screen, and not on the milk strainer, which is protected from falling dirt by the top of the pail. Ordinary cheese cloth can be used for straining if desired, but we recommend our RED CROSS FILTER CLOTH.

The great advantage of the STERILAC MILK PAIL over others is that it reduces the per cent. of bacteria to a minimum. Hundreds of dairymen are finding this out and discarding other milk pails in its favor.

The STERILAC is constructed of heavy material with the best of workmanship, and besides doing far superior work will outlast three ordinary pails.

Prices: Seamless, \$3.00, Standard, \$2.50. In lots of six or more—Seamless, \$2.75, Standard, \$2.25.
