

## PUBLISHER'S DEPARTMENT.

**THE ROAD TO SUCCESS.**—The following is taken from the London *Free Press*. It refers to The Financial Association of Ontario, whose advertisements have no doubt been noticed in our columns, and is another proof of the benefits that can be derived by advertising in leading newspapers:—"Time and again have we had occasion to record additional evidence that the road to success is best reached by the judicious use of printers' ink, and we now have, at our doors, an additional instance in a financial institution organized a few months ago. The first to introduce the division of its capital stock into Preference and Ordinary shares, a system in much favour with investors in Great Britain, and which, no doubt, as the advantages become understood, will be equally popular with investors in Canada, there was some doubt expressed as to the support it would receive. The undertaking, however, soon showed signs of able and energetic management, which promised well for its future, and in a comparatively short time has been placed on an excellent footing. Through its advertisements in the leading journals the Company has, in a few months, become, in all probability, more widely known than others whose organization dates back as many years. Its stock is, we believe, held in nearly every section of Canada, which must materially tend to make it marketable at full quotations. The few hundred dollars spent by the Company in advertising is a mere trifle as compared with the results attained, and there is scarcely a business man who could not reap equally flattering results by the same means.

**A WISE DEACON.**—"Deacon Wilder, I want you to tell me how you kept yourself and family so well the past season, when all the rest of us have been sick so much, and have had the doctors running to us so long." "Brother Taylor, the answer is very easy. I used Hop Bitters in time and kept my family well and saved large doctor bills. Three dollars' worth of it kept us all well and able to work all the time, and I will warrant it has cost you and most of the neighbours one to two hundred dollars apiece to keep sick the same time. I guess you'll take my medicine hereafter." See other column.

PRESBYTERIAN  
YEAR BOOK  
FOR 1880.

Edited by Rev. James Cameron.

## NOW READY,

The **PRESBYTERIAN YEAR BOOK** for 1880, containing full information about the Presbyterian Church in Canada, and a large amount of varied intelligence with regard to the present condition of the Presbyterian Churches of the United States, Great Britain and the Continent of Europe.

This publication was begun in 1875, and year by year has received favourable notices from our own press in Canada and the press of the United States, and also special favour and praise from the Assembly Clerks of various Presbyterian Churches.

The information contained in the issue for 1880, will be found unusually complete; and there are several illustrations of prominent church edifices.

## OPINIONS OF MINISTERS, ASSEMBLY CLERKS, AND EDITORS.

"It contains complete information on almost every subject relating to the Presbyterian Church in the Dominion, and will prove of great value to the members of that denomination."—*Montreal Witness.*

"... This collection of varied and interesting information must secure for the work a cordial reception by all who take an interest in the position and prospects of the Presbyterian Church. It is printed, we may observe, in a neat, clear type, and its execution reflects credit both on the editor and the well-known firm by which it has been issued."—*Paris Transcript.*

"We seldom find, in so modest and unpretentious form, so much and so various ecclesiastical information. After a very exhaustive, yet concise, account of the Church, in her various branches in British North America, there is an account of the many families of our tribe 'scattered abroad,' acquainting us with even distant Australia. The relation subsisting between our Canadian brethren and us is, ought to be, and must continue to be, of the very closest nature. It were well if our people, and particularly our ministers, altered themselves of the assistance this little work affords, as a convenient 'thesaurus' of valuable information."—*Philadelphia Presbyterian.*

Mr. Croil, of the "Presbyterian Record," says of the "Year Book": "It is one of the best thumbed periodicals in our office. Every Presbyterian should have it."

The "N. Y. Independent," a disinterested authority remarks: "It is one of the best ecclesiastical annuals published in the world. It not only gives complete denominational statistics for its own country, but for the Presbyterians in all parts of the world—the only Presbyterian Year Book that we know of that covers so much ground. . . . There are also general statistics of great value.

Price 25 cents per copy. Post Free on receipt of price.
