Will cure a Cold more thoroughly and speedily than any other preparation in use. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effectual relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral. \*\*For fifteen years I was afflicted with Lung troubles. Ayer's Cherry Pectoral relieved the distressing symptoms of this disease, and entirely cured me. It is the most effective medicine I have ever used. — C. M. Fay, Prof. of Anatomy, Cleveland, Ohio.

While in the army I contracted a severe Cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night Sweats, and such loss of flesh and strength that, to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

### CURED ME.

In the twenty years that have since elapsed, I have had no trouble with my Lungs. — B. B. Bissell, Editor and Publisher *Republican*, Albion, Mich.

Ayer's Cherry Pectoral cured my wife of Bronchitis, after friends and physicians (so severe was the attack) had almost despaired of her life. She is now in perfect health. — E. Felter, Newtown, O.

When about 22 years of age, a severe Cold affected my lungs. I had a terrible Cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life. — C. G. Van Alstyne, P. M., North Chatham, N. Y.

Last year I suffered greatly from a Cold, which had settled on my Lungs. My physician could do nothing for me, and my friends believed me to be in Consumption. As a last resort, I tried Ayer's Cherry Pectoral. It gave immediate relief, and finally cured me. I have not the least doubt that this medicine

### SAVED MY LIFE.

I am now ruddy, healthy, and strong. — James M. Anderson, Waco, Texas.

Ayer's Cherry Pectoral cured me of Throat and Lung troubles, after been seriously afflicted for three years. The Pectoral healed the soreness of the Lungs, cured the Cough, and restored my general health. — Ralph Felt, Grafton, O.

Twenty years ago I was troubled with a disease of the Lungs. Doctors afforded no relief, and said that I could not live many months. I commenced using Ayer's Cherry Pectoral, and before I had finished one bottle, found it was helping me. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life. — Samuel Griggs, Watkegan, Ill.

My Medical Discovery seldom takes hold of two people alike! Why? Because **NO TWO PEOPLE HAVE THE SAME WEAK SPOT.** Beginning at the stomach it goes searching through the body for any hidden humor. Nine times out of ten, **INWARD HUMOR** makes the weak spot. Perhaps it is only a little sediment left on a nerve or in a gland; the Medical Discovery slides it right along, and you find quick happiness from the first bottle. Perhaps its a big sediment or open sore, well settled somewhere, ready to fight. The Medical Discovery begins the fight, and you think it pretty hard, but soon you thank me for making something that has reached your weak spot. Write me if you want to know more about it.

JAVA must be a good place to live in; we never see it advertised except as "pure Java."

A POWDER mill explosion affects the country for miles round, but dyspepsia, biliousness, constipation, headache, loss of appetite and debility, affect humanity the world over. The Editor of the *Mitchell Recorder* states that he was cured of biliousness, liver trouble, and sick headache, by **Burdock Blood Bitters**. Is it not worth trying on such evidence?

THERE is nothing so easy to find as fault—there is so much of it.

As a Remedy for Coughs, Hoarseness and Sore Throat, **BROWN'S BRONCHIAL TROCHES** are reliable and give the best possible relief with safety.

THE good deeds done by that unequalled family liniment, **Hagyard's Yellow Oil**, during the thirty years it has been held in ever increasing esteem by the public, would fill volumes. We cannot here enumerate all its good qualities, but that it can be relied on as a cure for croup, coughs, colds, sore throat and all pains, goes without saying.

THE *London Church Times* is responsible for the following, which is vouched for by a country rector: His daughter taught the choir boys a new tune at a Monday evening's practice, to be sung on the following Sunday. Sunday morning came; "Well, Johnny," said Miss X., "I hope you haven't forgotten the new tune, for we depend much on you." "Naw, mum, not a bit. Why, I've been a skeerin' the crows with it all the week."
