5cts. SAVED! \$1 LOST!

It is false economy saving 5 cents by buying a bar of poor soap, for that bar of poor soap will do more than a dollar's worth of damage to your clothes, by rotting them, to say nothing of the harm it does to the hands.

When you buy SUNLIGHT Soap you get the VERY BEST VALUE. It goes farther, washes easier, saves fuel and hard work, and cannot possibly injure the clothes or skin, no matter how fine or delicate. It is real economy to use SUNLIGHT Soap.

Give it a trial. See that you get the right article, as imitators are trying to humbug the people.
