PHILADELPHIA, 1876.]

FIRST PRIZE FOR

**BELTING LEATHER**

AT THE

Industrial Exhibition, Toronto, 1879.  
" " " 1880.

Our Belting is Short Lap, and is warranted to run straight and even on the pulleys, and certainly cannot be surpassed in quality by any other Belting in the market at the same prices.

Our Leather is of Pure Bark Tannage, and consequently is much more durable than the chemical tanned leather of which most of the American Belting imported into Canada is made, though sold under the name of Oak Belting.

To accommodate those who desire to have a really genuine article of Oak Belting, we beg to say that we keep in stock a quantity of

*Oak Leather of the Celebrated Tannage of J. B. HOYT & Co., of New York,*

and as the duties on imported rough Leather are much less than on the manufactured Belting, we are thus enabled to sell the Belting made from this quality of Leather much cheaper than it can be imported.

**LARGE DOUBLE BELTS A SPECIALTY.**

Please note that our Price List averages Twenty to Twenty-five per cent. lower than the American Price List at which all American Belting is sold in Canada.

Lace Leather of the very best quality always on hand.

*All Work Warranted.*

*Orders Solicited.*
