\$3000 A YEAR! I undertake to briefly teach any fairly intelligent person of either sex, who can read and write, and who, after instruction, will work industriously, how to earn Three Thousand Dollars a Year in their own localities where ever they live. I will also furnish the attention or employment at which you can earn that amount of money, for no unless successful as above. I will and quickly learned. I do not put our workers from each district or county. I have already taught and provided with employment a large number, who are making over \$3000 a year each. It is **NEW** and **SOLID**. Full particulars **FREE**. Address at once, **E. P. & S. W. New York, Boston, Montreal, Winnipeg.**
