

OUR 

"What trade we've got we'll hold,
What we hav'nt got we're after."

Twenty-Fourth Import Season

will find us showing the

Largest and Choicest

assortment of holiday novelties ever carried through Canada.

OUR travellers will be later than usual this year owing to the European factories being unable to complete their advance samples of new designs at the usual time, but you will be amply repaid by waiting until you have the opportunity of inspecting our samples, as we have

NO OLD STOCK TO WORK OFF.

EVERYTHING NEW AND ORIGINAL.
