STEARNS'

# Wine of Cod Liver Oil

WITH PEPTONATE OF IRON

Is an entirely new and original preparation, containing 25 per cent. of pure Cod Liver Oil, as represented by its active medicinal constituents, Morrhaine, Butylamine, Amylamine, Iodine, Bromine and Phosphorus.

Modern investigation has proven that the value of Cod Liver Oil as a medicinal agent is not due simply to the fact of its being an oil, but to the valuable active principles which it contains, as noted above.

Each fluidounce of the Wine contains four grains of PEPTONATE OF IRON, the most readily assimilated and most valuable of all forms of iron, it being partially predigested and free from styptic properties.

The fact that iron is prescribed in so many cases where Cod Liver Oil is required, verifies the ingenious, yet scientific combination of this preparation, which now fills a long felt want as to how to administer in an agreeable manner the very agents much needed.

This preparation does not cause eructations or nausea, as does the oil, but is pleasant to take and thoroughly active. The dose may be increased somewhat with its use, if thought desirable.

The Wine notably increases the strength of the patient, as increased weight is evidence of returning health. It is valuable in nervous affections of children, acting especially on the nerve centers, thus not only assisting but preventing nervous disorders.

This Wine sustains the functional activity of the organs of digestion and assimilation, and is therefore recommended for phthisical patients who cannot digest and assimilate nourishment. Its power of increasing metabolism (tissue change) makes it especially useful in such cases, for it has been proven by clinical experiments that patients taking it have gained rapidly in weight and increased appetite.

Stearns' Wine has a delicious taste, and is acceptable to the stomach of the most delicate invalid. It is rich, ruby red in color, and free from all odor and taste of the plain Oil.

Stearns' Wine may be used in all cases where Cod Liver Oil and Iron are indicated, and furthermore it is devoid of all the objectionable features hitherto attending the administration of Cod Liver Oil in any form.

Samples, Literature and Treatise on Wine of Cod Liver Oil sent free on request. Price, \$8.00 per doz.

For sale by all the leading Jobbing Houses, or direct from
