THE LIFE OF SIR JOHN A. MACDONALD

By Col. J. Pennington Macpherson, M.A., A.D.C.

The forthcoming Biography will be a work of over one thousand pages, copiously and beautifully illustrated in the highest style of art, including two splendid Steel Engravings. The work has been for many years in preparation, and was undertaken with the fullest concurrence of Sir John Macdonald. Owing to the author's close relationship to the late Premier, he possessed access to many sources of information unattainable by others, and a personal acquaintance with his subject, which will render this work of surpassing value as a correct and in every respect reliable biography of the greatest of Canadian Statesmen.

For Junior Matriculation with Honors, Senior Matriculation and First Year, and First-Class Certificates.

The marked success which has attended the publication of The High School Algebra, Parts I. and II., has induced the publisher to add another volume to the series. Some of its special features are as follows:

- A Complete Theory
- Theory and Practice Combined
- Geometrical and Symbolical Truths Compared
- A Great Variety of Examples
- A Preparation for Advanced Work
- Mathematical Tables
