JOHN BUNYAN.

This new and large edition of this popular book, written by John Bunyan, contains both parts of the allegory, complete and unabridged, printed with large, new type. It is in colored enamel paper cover, with lettering in gold, giving a rich and elegant appearance.

Bunyan is acknowledged as the most popular religious writer in the English language. It is said that more copies of "Pilgrim's Progress" have been sold than any other book except the Bible.

Of Bunyan, Lord Macaulay has written: "This is the highest miracle of genius, that the imaginations of one mind should become the personal recollections of another; and this miracle the thinker has wrought. There is no ascent, no declivity, no resting place, no turnstile, with which we are not perfectly acquainted." This is well said; and it is true. The "Pilgrim's Progress" is one of the best known books of human origin. It is a household book. Men love to retrace the steps of this journey, to revisit the familiar scenes of the wondrous pilgrimage and to live over again the experiences of the pilgrim. The Dreamer rests himself in his dreary prison-house, and as he sleeps, he sees the outline of a vision. And whether it be in his sleeping or his waking moments, the true that Heaven hath somehow drawn aside the veil and revealed these grand and glorious sights which reach so near to the things that "eye hath not seen," permitting this far-sighted man to look "through golden vistas into Heaven." The opening of the vision presents in bold relief the future hero of the allegory—a burdened man, clothed with rags, weeping because of threatened evil pronounced by the Book that is in his hand. He dwells in the City of Destruction. He reveals his sorrows and anxieties to his wife and family, but finds no sympathy there; and, failing to obtain companionship on the heavenward road, he starts alone upon this spiritual journey. This new edition is now offered for the first time and is sure to please.
