"WASHED AWAY AT ST. LEON."

Had Sciatica and Rheumatism very bad for over a year; pains day and night; could not rest or sleep; often confined to bed. Tried everything I could find, but got no relief. Went to St. Leon Springs and got the disease **Washed Clean Away.** That was two years ago, and have never had a twitch of the trouble since.
A. C. WALKER,
Coaticook, Quebec.

These famous baths will be opened on the 15th June at St. Leon Springs; also hotel in connection.

HENRY T. HOWARD.

THIS gentleman who has made a decided hit in journalism as the *World's* special commissioner to Ireland in connection with Mr. Blake's election campaign, is a thorough all-round newspaper man. He is a genial Yorkshireman on the shady side of forty, and has had an extensive and varied experience on the English press, but his special forte is as a descriptive writer. He has a graphic pen and wide acquaintance with literature, and has a great fondness for apt poetical and scripture quotations. His contributions over the signature of "Ebor" dealing with the Sunday services of the principal Toronto churches, are eagerly looked for by the readers of the *Sunday World*. No better man could have been selected for the important mission with which he was lately entrusted, the results of which fully justify the *World's* enterprise.
