For grocers and general dealers in a well-selected assortment of Tobaccos. But unless the article has a reputation for meeting all the requirements of the most exacting smoker, you had better not keep it at all. Our

CUT Old Chum AND PLUGfor instance, has stood the test for many years. If you keep it you keep something that reflects credit on your judgment, helps other departments of your business, and leaves you a good margin of profit. Its the same with our famous **FANCY MIXTURES**—or indeed anything in Tobacco bearing our name, which has come to be regarded as a guarantee of excellence. We have found that merit tells. Mercantile Summary.APPLICATION is being made by Messrs. Alexander MacDonald, R. P. Roblin, William F. Luxton, Colin H. Campbell, Murray Miller, Geo. D. Woodall, of Winnipeg, for incorporation by letters patent of the "North-Western Publishing Company," with a capital of \$50,000. This means, we presume, the publication of another daily paper in Winnipeg in opposition to the *Free Press*.

A NOTEWORTHY piece of work has just been turned out at Dundas by the Messrs. John Bertram & Sons of the Canada Tool Works. It is what is stated to be the largest turning lathe ever built in Canada, and was constructed for the Nova Scotia Steel Co. of New Glasgow, to be used for turning heavy steam-boat shafts and forgings. It takes in a shaft 34 feet long and will swing over the bed 60 inches, and 8 feet in the break. When tested one Saturday this lathe reduced a 14-inch shaft four inches at a cut, and will do a great deal better when put on a proper foundation. The total weight is 68,000 lbs., and when taken apart the various pieces filled three cars.

We have the following minor failures to note in Montreal this week: A. Lalonde & Co., grocers in a limited way, have assigned owing about \$900. Mr. L. was using his wife's name.—The estate of the late Wm. Lawes, junk dealer, has been placed in insolvency; liabilities \$3,000.—Brunelle & Mireault, liverymen, have turned over their estate to the assignee, and owe somewhere about \$5,000.—Mark Kutner, doing a small business under the pretentious style of the Canada Hat and Cap Co., has been served with a demand of assignment. Liabilities are calculated at \$3,500.
