Throughout the east of Europe and in
Roumania there has lately been organized a
system of lady commercial travelers whose
mission it is to supply wedding trousseaux,
layettes, mourning outfits and other goods.
These ladies hail from Paris, and carry with
them specimens and samples from the first
French houses.

MISCELLANEOUS.

In India last year 274 tigers were killed.

The joints and muscles are so lubricated by
Hood's Sarsaparilla, that all rheumatism and
stiffness soon disappears. Get only Hood's.

New York society is golf mad. The Four
Hundred have taken up the ancient game,
which many kings played.

Thoughts come and go, some never to re-
turn. What some of us would have given at
the time for an Esterbrook pen to jot down a
fleeting inspiration?

In China a boy begins his schooling at five
years of age, and is at his study nearly twelve
hours a day, seven days in a week.

Many a Young Man.

When from overwork, possibly assisted
by an inherited weakness, the health fails
and rest or medical treatment must be re-
sorted to, then no medicine can be employ-
ed with the same beneficial results as
Scott's Emulsion.

Mrs. Hannah Day, of Brunswick, Me.,
died recently in her one hundred and first
year.

IMPORTANT TO WORKINGMEN.

Artizans, mechanics and laboring men are
liable to sudden accidents and injuries, as well
as painful cords, stiff joints and lameness. To
all thus troubled, we would recommend Hag-
yard's Yellow Oil, the handy and reliable pain
cure, for outward and internal use.

In some parts of Central and South America
a single firefly gives so much light that it
illuminates a whole room. The English resi-
dents catch them in order to find the match
box or lamp.

A PROFESSIONAL OPINION.

Rev. F. Gunner, M.D., of Listowel, Ont.,
says regarding B.B.B.: "I have used your
excellent Burdock Compound in practice and
in my family since 1884, and hold it No. 1 on
my list of sanative remedies. Your three busy
B's never sting, weaken, or worry."

The city authorities of St. Louis have de-
cided to build electric ambulances for use in
street car and other accidents. The street
railway will supply power and free use of their
tracks.

A RARE COMBINATION.

There is no other remedy or combination of
medicines that meets so many requirements,
as does Burdock Blood Bitters in its wide
range of power over such chronic diseases as dys-
pepsia, liver and kidney complaint, scrofula,
and all humors of the blood.

The Japanese tattooers now produce in
colors an exact photograph of any cherished
friend whose image the tattooed person may
desire to have constantly with him.

DIZZINESS CAUSED BY DYSPEPSIA.

Dizziness is a symptom of dyspepsia. "I
have used Burdock Blood Bitters, for dizziness,
which came over me in spells, so that I had to
quit work for a while. The B.B.B. entirely
cured me."

JAMES WRIGHT, Chesterfield, Ont.

The Chinese doctor's lot is not wholly a
happy one. Four members of the Imperial
College of Physicians at Peking failed recently
to make a proper diagnosis of the Emperor's
indisposition, and were punished by being
fined a year's salary.

LIFE IS MISERY

To many people who have the taint of scro-
fula in their blood. The agencies caused by
the dreadful running sores and other manifes-
tations of this disease are beyond description.
There is no other remedy equal to Hood's
Sarsaparilla for scrofula, salt rheum and every
form of blood disease. It is reasonably sure
to benefit all who give it a fair trial.

Hood's Pills cure all liver ills.

London Truth says: Mr. "Frank"
Bland, who died a few days ago, was for many
years one of the most intimate friends and
most constant associates of Charles Dickens,
of whom he was the confidential medical
attendant, and he acted in the same capacity
for Wilkie Collins for more than 30 years.

ON THE PLATFORM.

Public speakers and singers are often
troubled with sore throat and hoarseness, and
are liable to severe bronchial attacks which
might be prevented and cured by the use of
Hagyard's Pectoral Balsam—the best throat
and lung remedy in use

The three British battleships now under
construction have been modified as regards
armor, in view of the information gained by
the loss of the Victoria, the general effect of
the change being to strengthen the ends. At
the water line there will be a belt of steel 18
inches thick and supported by wood and iron
plates of some 1½ inches.

BANANA PEEL ON THE SIDEWALK.

The street car had passed, but to catch it
he reckoned,
So he ran like a deer, and shouted and
beckoned,
Till he planted his heel
On a smooth bit of peel—
Then he saw half a million of stars in a
second.

He was in too great a hurry; better have
waited for another car. There are cases, how-
ever, where haste is necessary. If you have
night-sweats, feverishness, weak, sore lungs
and a hacking cough, do not lose an hour in
obtaining a supply of Dr. Pierce's Golden
Medical Discovery. Delay in such cases is
dangerous: it may be fatal. Before the dis-
ease has made too great progress, the "Golden
Medical Discovery" is a certain cure. In
fact, it's guaranteed to benefit or cure, or
money paid for it promptly refunded.

Kansas is reaping the whirlwind. The
failure of the farmers of that State to secure a
renewal of their mortgages is becoming a
serious question. Most all companies doing
business in Kansas are pulling out as fast as
they can, not for want of business, but for the
reason that the legislation, sentiment and gen-
eral antagonistic feeling towards a loan com-
pany are vicious and vindictive.
