

**WHY
Our Students Succeed!**

From the day a student enters our college, to the day of graduating, every hour of time is put to the best possible use. Teachers and students work together with a definite purpose. Courses of study, full and thorough—but no aimless work, no useless repetitions, no nonsense. Every step a preparation for practical business life.

Personal interest taken in the progress and welfare of each student.

Our New Patent "Ball Bearing" School
Desks lead all others. They are absolutely
the ONLY School Desks ever made having
a Permanently Noiseless Ball Bearing
Seat Hinge.

This device is NOT an experiment,
but has been thoroughly tested, and
its practicability proved.

Our Combination "Ball Bearing"
Adjustable School Desk is the great-
est success ever achieved in School
Desk construction.

The time has passed when students must adjust themselves to
fit the desks. Health and comfort demand that the desks should
adjust themselves to fit the students.

That is why our Adjustable Desk should
be in every school room in the land.
