

or more parties may have paid their proportion to such owner or tenant.

### **Disposing of Water—Penalty.**

6.—That any person lending, selling, giving or otherwise disposing of the water supplied by the Company, or permitting it to be taken or carried away for the use or benefit of others, or increasing the supply agreed for with the Company, or wrongfully neglecting or improperly wasting the water, shall upon conviction thereof, pay the penalty imposed by law in that behalf, and also pay to the Company double rates for each month in which he violates this clause.

### **Street Sprinklers and Lawn Hydrants.**

7.—Street sprinklers and yard or lawn hydrants must not have nozzles larger than  $\frac{1}{4}$  inch, and are not to be converted into jets or used for wetting any area other than the one defined in the application therefor.

### **Tapping Mains.**

8.—That none but persons duly authorized by the Company shall tap or make any connection with main distribution pipes.

### **Sidewalk Stop Cocks.**

9.—That stop cocks under the sidewalks are the property of the Company, and any person found in any way tampering with them will be prosecuted.

### **Premises not Correctly Rated.**

10.—If at any time it appears that a wrong statement has been made of the number of rooms in a house, or the
