MINISTER SHOT DEAD.

Hon. I. B. Lucas, provincial treasurer, returned yesterday from two weeks' hunting in the northern woods.

With a party of men from Grey County, he spent the time in the backwoods of Bruce, about 30 miles from the Soo.

The party obtained their full quota of deer and the minister states that the season was very plentiful in that region.

He returned to his work bronzed and invigorated.

THE QUESTION is now being raised as to whether these officers are to be interned.

The Canadian icebreaker is probably the Earl Grey, which was loaned to Russia to help keep open navigation from Russian ports in the Arctic to the North Sea.

NEW YORK, Nov. 16.—James Rupert Beames and Hugh Griffiths, two bandmen of the White Star Line-S.S. Olympic, who arrived here today from London aboard the American steamship New York, confirmed the reports of the loss of the British super-dreadnought Audacious off the Irish coast by a mine or by a torpedo. Both men assert the warship was blown up after she struck the mine or had been torpedoed.

Confirmation of the story the bandmen declared that at 9 o'clock in the evening of Oct. 27 they heard a tremendous explosion at sea, while the ship was at anchor. They were then in Lough Swilly, virtually prisoners on the Olympic. Beames explained that the Audacious was cruising in squadron formation with seven other dreadnoughts and supporting craft when she struck a floating mine laid by a German ship flying a neutral flag. In obedience to the command of the admiral the rest of the ships scattered to save themselves from possible attack. The cruiser Liverpool, however, stood by the sink-
