Take Advantage of This Offering of Paint at 59c and Have it Ready FOR THE GREAT

Paint at 59c Quart is a Novelty Now-a-Days, So if You Have Much or Little Paint to Buy Now is the Time to Buy

Some of the colors and shades are getting low, so we advise ordering early. To make sure, order today, and where quantities are required order gallon cans. This paint is a well-known reliable brand. Every can bears the EATON label. You can buy it, use it, and if it doesn't prove satisfactory in every way, we'll replace it or refund your money. And it certainly will pay you to anticipate your paint requirements, for since this lot of 30,000 quarts was purchased paint prices have advanced three times. The colors (over 40) include many of the tints and shades so desirable for interior decorating, which can be done at any time, as well as the colors for outdoor painting, to use when woods dry out. To make sure of your colors, order today.
