THE NEW ONTARIO RAILWAY

Survey of the Route of the Projected Line Presented to the Legislature Yesterday.

COMMISSIONERS WILL GET $1000

As Honorarium for Their Services —Morning Sessions of House Next Week.

In the legislature yesterday afternoon the survey of the route of the projected Temiskaming Railway was laid on the table. The line, according to the information presented to the House, will start at North Bay, thence northwards thru the Townships of Widdifield, Mulock, Merrick, Stewart, Osborne and Hammell. At a point near Red Water Lake the line crosses the proposed Nipissing and James Bay Railway, and it then touches the northeastern arm of Lake Temagaming. Then it runs thru the Temagaming forest reserve, and Bucke Township to the north of it, to Thornloe, Dymond Township, which is on Wabis Bay, an inlet of Lake Temiskaming.

Mr. Harcourt's Bill.

Hon. Richard Harcourt introduced a bill to adjust the differences respecting the maintenance of county high school pupils attending schools in counties from separated cities or towns.

The Attorney-General's bill to amend the Manhood Suffrage Act was objected to by the opposition. It provides to do away with the oath which may be applied when persons have their names placed on the voters' lists.

The bill was allowed to stand.

In committee on resolutions the Commissioner of Public Works explained that an honorarium of $1000 each would be paid to the commissioners that would supervise the construction of the Temiskaming Railway, and it was approved.

Objection was taken by the opposition to the clause in Mr. Gibson's bill to amend the Statute Law respecting the estates of infants, but the bill was finally advanced a stage.

A $10,000 Grant.

The Attorney-General introduced a bill which was sent directly to committee authorizing the Village of New Hamburg to grant $10,000 to the New Hamburg Manufacturing Company, which was burnt out.

Mr. Brower asked: Was John Sullivan, late Inspector of Fisheries for the County of Elgin, short in his accounts with the province? If so, what is the exact amount of such shortage? Who are his sureties? Did he resign or was he dismissed? Has any person been appointed in his place? If so, who?

The Commissioner of Public Works replied that Sullivan was short in his accounts $255. This sum had been paid by a guarantee company, and Sullivan resigned. Charles W. Walcott was appointed his successor.

No Way of Finding Out.

The Commissioner of Crown Lands, in answer to Mr. Morrison, said there was no way to determine the amount of pulp wood exported by private concerns last year, but from Crown lands the North Shore Lumber Company exported 10,000 cords.

Mr. Latchford's bill, to amend the Ontario Game Protection Act; Mr. Dryden's, respecting the barberry shrub; Mr. Carscallen's, to amend the Ontario Factories Act, were read a second time. In connection with the last mentioned bill Mr. Carscallen explained that it provided for a more thoro and systematic inspection, and also that inspectors make their reports in writing at least twice a year.

Privates Bills Advanced.

These private bills were read a second time:

Respecting the Algoma Steel Company, Limited.—Mr. Farwell.

To incorporate the Northern Power Company.—Mr. Conmee.

To confirm certain bylaws of the township of Cornwall.—Mr. McLaughlin.

To incorporate the Huron and Bruce Railway Company.—Mr. Farwell.

To incorporate the Canada Central Railway Company.—Mr. Conmee.

To change the name of the town of Tilsonburg.—Mr. McKay.

Respecting the Algoma Tube Works, Limited.—Mr. Farwell.

Respecting the estate of William John Moore, deceased.—Mr. Truax.

Respecting the township of Etobicoke.—Mr. Hill.

Assembly Notes.

The Private Bills Committee yesterday agreed to the bill authorizing the Royal Trust Company to do business in Ontario on the understanding that when the measure is reprinted a chance shall be given to the committee to discuss its provisions.

Fort William's bill, asking for permission to develop 10,000 horse power from Kakabeka Falls, was left over.

Col. Leys' bill, empowering private individuals or companies to lay pipes or conduits for the transmission of power along streets, was passed by the Municipal Committee yesterday morning.

Mr. Dickinson's toll roads expropriation bill was passed by the Legal Bills Committee. It allows municipalities to issue debentures to buy out toll roads without submitting the bylaw to the people.

Mr. Pardo, M.L.A. for West Kent, is seriously ill with pneumonia at his home. Mrs. Pardo is also suffering from the same malady.

Mr. Carscallen, Hamilton, has given notice of motion, that the House in future shall sit continuously from 1 p.m. to 7 p.m., and not beyond those hours without the unanimous consent of the House.

Commencing on Wednesday next, the House will hold sessions in the morning. It looks at present as if all the business of the session will be finished up by the end of the week, and in that event the formal prorogation will take place on the following Monday.

Good Roads Report.

In his fourth annual report, W. A. Campbell says that much progress has been made during the year in connection with good roads. Great benefit, he adds, is resulting from the commutation of statute labor, and the increase in the number of municipalities taking advantage of the act in this respect is a tribute to its worth. A question which is now assuming considerable importance is, the Commissioner says, that of the rights of electric railways on highways, and he thinks they should be made to settle for any damages caused by accidents which can be traced to the running of the cars.

From the Child of a Year to the Man or Woman of Fourscore.

Malt Breakfast Food provides, in a way that no other can do, for the health and vigor of old and young—from the child of a year to the man or woman of fourscore years. It is the food triumph of the age for the bestowal of physical strength and general good health.

Malt Breakfast Food is easily recognized by its delicious taste, its appetizing and satisfying qualities and its energy-producing powers. Ordinary grain foods have many poor points. Malt Breakfast Food has not a single bad point that can be named by food critics. It is free from all starchy substances, it is partially cooked and predigested, easy to digest, most nutritious and healthy. Malt Breakfast Food is the only grain food that furnishes the benefits and virtues of pure health-giving Malt that enriches the blood and builds up the system. Get a package from your Grocer; it will please you.

Mayor in Ottawa.

Ottawa, March 7.—Mayor O.A. Howland to-day interviewed the Minister of Justice in regard to the Russell-square matter. He also saw the Minister of Public Works and asked for the loan of the government dredge for harbor purposes. The Mayor likewise had an interview with the Minister of Militia with respect to Garrison Commons. His Worship will endeavor to have the applications before the Railway Committee in which Toronto is interested come up when the committee meets, a fortnight from Thursday.

Bodies Found Lashed to Schooner.

Vancouver, March 7.—A small schooner-rigged vessel was towed into Vancouver harbor last night with the bodies of two men lashed to it. The vessel had been overturned by the storm Monday night, and was picked up early yesterday in the gulf. The names of the dead men are not known.

For the Overworked.—What are the causes of despondency and melancholy? A disordered liver is one cause, and a prime one. A disordered liver means a disordered stomach, and a disordered stomach means disturbance of the nervous system. This brings the whole body into subjection, and the victim feels sick all over. Parmelee's Vegetable Pills are a recognized remedy in this state, and relief will follow their use.

Sued for an Assault.

Beeton, March 7.—Councillor H. B. Hunt has been served with a writ for $3000 damages issued at the instance of Editor J. W. Boyle of The Beeton World. Hunt assaulted Boyle one evening about three weeks ago and inflicted severe bodily injuries.

FUNERAL OF LATE J. P. BULL

Yesterday Was Largely Attended By Old Residents of Toronto and York County.

BEAUTIFUL FLORAL TRIBUTES

Placed on the Casket—Impressive Services at the House and Grave.

Many old residents of Toronto and York County were present at the funeral yesterday afternoon of the late John P. Bull, J.P., which took place from the family residence, 5 Walmer-road, to Prospect Cemetery. The remains, encased in a beautiful casket, lay in the parlors of the residence surrounded by many handsome floral tributes sent by friends of the deceased. A private service, attended by the family and intimate relatives, was conducted by Rev. W. H. Hincks of Trinity Methodist Church, assisted by Rev. Thomas Cobb and Rev. Peter Addison. At the public service, Rev. W. H. Hincks, Rev. Isaac Tovell and Rev. Dr. Griffin delivered brief addresses, eulogizing the life of the deceased.

On the conclusion of the service, the remains were borne to the hearse by Messrs. William P Bull, B E Bull, L J C Bull, W D Gregory, Clarence Fletcher and Ambrose Bull. At the cemetery the last rites were performed by Rev. Mr. Hincks.

The chief mourners were W. H. Bull, son, Brampton; T. H. Bull, brother; W. P. Bull, son-in-law, and T. G. Bishop, brother-in-law, Pittsburg.

Among those present were: Emerson Coatsworth, jr., Rev Dr Workman, John Goulding, Weston; Henry Duncan, East York; Rev William Burns, Mrs N Clarke Wallace, Woodbridge; Allan Royce, Davenport; Robert Clarke, Dr Hough, Dr Wilmott, Rev W F Wilson, Hamilton; Rev Dr German, Rev Joseph Odery, T F Wallace, Woodbridge; Albert Eckardt, Percy Eckardt, W P Page, D F Smith, A F McGregor, A R Williams, J T Culverwell, R A Graydon, Isaac Lennox, Inspector Archibald, B F Justin, Brampton; W T J Lee, William Clarke, Downsview; William Tyrell, Weston; Edward Galley, A McLean, D Montgomery, John J Cook, W A Clarke, R J Bull, Weston, and C Sylvester.

Branch P.O. in West End.

Ottawa, March 7.—Owing to the growth of Toronto in a westerly direction, it has been decided to make that section largely independent for mail purposes of the main office by establishing a sub-station in the west end, which will be in working order by July next. When it is in operation mail matter will be carried direct between the sub-station and the Union Depot, thus greatly expediting the transmission of mail matter, which at present is greatly delayed by its roundabout course, having to reach its destination via the main office. A similar improvement is to be carried out in the City of Montreal by the establishment of a sub-office in St. Mary's division, which will be equally advantageous to the mail service in Montreal. This station is also expected to be in operation next July.

Order to Be Issued.

Ottawa, March 7.—The Railway Committee of the Privy Council this morning agreed to issue an order to the Schomberg & Aurora Railway Co. to cross the Grand Trunk Railway track north of King Station. The order will be submitted to the companies interested before it goes out.

Approval was given to the Grand Trunk plan of a proposed siding from a point in the Township of Thurlow, between Belleville and Foxson, to the mill and distillery of Mr. Harry Corby at Corbyville.

The C.P.R. asked permission to lay six additional tracks across Maple and Main-streets, Winnipeg. It was agreed that all parties should meet in Winnipeg and endeavor to reach a settlement.

Dr. Borden to Go.

Ottawa, March 7.—The Hon. Dr. Borden, Minister of Militia, will attend the big military tournament to be held in New York about the end of the month and will review the troops. The 48th Highlanders from Toronto are to attend. The troops will be reviewed on different days by General Miles, Commander-in-Chief; Major-General Brooks, Commander of the Department of the West; Admiral Dewey, Secretary of War Root, and by Dr. Borden, Minister of Militia for Canada.

Public Accounts Committee.

Ottawa, March 7.—In the Committee on Public Accounts this morning the Auditor-General gave evidence relative to payments made on capital account for the Intercolonial Railway. Under examination by Mr. Barker and Mr. Haggart, he stated that $68,320, of a total payment of $305,150 to the Canada Locomotive Company, Kingston, was paid on account to Messrs. Harty, Heney & Birmingham, the original holders of the contract, who assigned their contract to the locomotive company.

Another Canadian Ill.

Ottawa, March 7.—Hon. Joseph Chamberlain has cabled Lord Minto to the effect that Clarence Ridout of the South African Constabulary is dangerously ill of enteric at Elandsfontein. Ridout's father is F. Ridout of Carleton County, New Brunswick.

Toronto Railway Company.

HOW ANDREE FELL.

Murder By Eskimos of Famous Arctic Explorer is Confirmed.

Winnipeg, March 7.—A report sent out from the Hudson Bay post at Fort Churchill, about two and a half years ago, that Andree, the Swedish aeronaut, and his assistants had been killed by Eskimos is confirmed by advices received at the head office of the company here.

Alston Churchill, factor at Churchill, which is the company's most northerly point on the west coast of Hudson Bay, has written that after about two years' search the men sent out by him returned with a report similar to the one first published. Traces of the daring balloonist and his assistants were followed for hundreds of miles, but it was impossible to locate the tribe which caused their deaths. The story of the searchers is that Arctic Eskimos saw "Ohnaak" (one of their largest boats) floating in the air. When it settled to the ground three white men, strangely dressed, came out with guns, which they indiscreetly fired. Andree and his assistants were killed with huskee bows and everything of value taken.

The searchers found knives, tobacco and cartridges, supposed to have belonged to Andree, in possession of the most northern tribes, but could get no further information.

Independent Forestry.

Altho the large initiation of over five hundred members in one evening at the Temple Building has just gone by, Dr. Oronhyatekha, the Supreme Chief Ranger, has now issued a circular to the membership of Central Ontario to assist in securing one thousand applications before the 21st of April, and arrangements are being made for a grand initiatory ceremony to take place at the Temple Building on the evening of the above-mentioned day to admit them to the order. The above date is the day previous to the leaving of the delegates from this district for the Supreme Court, which assembles in Los Angeles on April 29 next, and if the thousand mark is reached the announcement of this great achievement will be an evidence to representative Foresters gathered there from the world over of the flourishing condition of the order in the jurisdiction in which the home office of Independent Forestry is located.

Next Thursday.

Ottawa, March 7.—The claim of Mackenzie & Mann against the government, amounting to about $300,000, will be heard in the Exchequer Court on Thursday next.

Amounts to $591.

Ottawa, March 7.—The fund for the erection of distinctive memorials in South Africa upon the graves of deceased Canadian soldiers amounts to $591.

WANT THE AGENCY IN GERMANY

Of the Canadian Manufacturers' Association.

At a meeting yesterday afternoon of the Parliamentary Committee of the Canadian Manufacturers' Association, Hon. John Dryden's factory act was considered, and also the matter of securing incorporation for the association. It was suggested that fire-proof glass windows be admitted into the country under the same conditions as other fire-protecting articles. Several other bills before the legislature were discussed.

Messrs. H. Becker and O. Thorning, manufacturers' agents of Germany, who have their headquarters in Berlin, held a conference yesterday afternoon with a number of members of the Canadian Manufacturers' Association, with a view of securing the agency in Germany of the association. The matter was discussed at some length, but no definite action was taken. It will be further considered by the association at an early date.

Seal Fisheries Open Monday.

St. John's, N.F., March 7.—The annual seal fishery will open next Monday. Along the Labrador and North Atlantic Coast the fisher folk are already killing hundreds of seals on the ice floes. The sealing fleet will sail for the ice fields next Monday.

Happiness in Strength

NATURE'S REMEDY

FREE TRIAL

It is every man's duty to really BE a man. Why? Because there is no excuse for weakness. Folly during boyhood leaves its marks in nervousness, drains, impotency, lame-back, varicocele, shrinkage of parts, etc. But what of it? Sitting in a draft is a folly productive of a cold, but you assist Nature and recover. It doesn't last forever. That's what you want to do for your weakness, my friend. Assist Nature. It's a duty you owe yourself and your family. The only natural aid is Electricity, not drugs. Every honest doctor says as much. That's because Electricity *is* Strength itself.

The Dr. Sanden Herculex Electric Belt

(1902 Model) gives you the current in the only practical way, because it is worn comfortably about the waist all night while you sleep. It sends a gentle, warming stream of new life for six or eight hours through the weakened parts. Benefits to back and nerves at once. This claim is based on my thirty years' practice. To prove my own faith I, therefore, hereby agree to deliver to any suffering man or woman in any part of the world, one of these famous Electric Belts, on *Absolute Free Trial for 60 Days*; not one penny in advance or on deposit. Either call personally or write, giving a few symptoms. I will then fix Belt for your use and arrange to deliver it to you free. Worn by women as well for rheumatism, etc. Upon request I send my two books together with symptom blanks free in plain sealed envelope. One book on disease in general, describes my Herculex Electric Belt. The other "Strength" is for men only. No charge for advice at office or by mail. There is but one *best* electric belt. Write or call before purchasing elsewhere.

Dr. A. B. Sanden, 140 Yonge St. (Corner Temperance Street. Entrance on Temperance Street.) Toronto, Ont.

Office Hours 9 a.m. to 6 p.m. Saturday Evenings Until 9 o'Clock.

Become a Man

Our "Restorine" Cures are the Test.

BLACK RIVER BRIDGE, ONT., July 23rd, 1900.

Dear Sir:—I am glad to say that the treatment of Restorine received last spring has helped me wonderfully. It is nearly two months since I finished its use, and I feel much better than ever before.

Yours truly, J.J.

(Sworn Testimonial).

The diseases and weaknesses of the organs of generation embitter life's sweetest enjoyments, separate husband and wife, and inflict a stab into domestic peace which remains upon memory and affection while life endures: they break down the organs of lusty youth, devitalize the blood and their effects are terrible beyond conception.

Restorine is a specific for all diseases and weaknesses of men. It restores lost vigor, puts the vim of youth into one's veins, and makes a true man. Its effect is immediate and permanent. So confident are we of its absolute certainty, that we are willing to send anyone requesting it five days' trial treatment free. Send no money, but write to-day. 67

RUPTURE

AUTHORS & COX, 135 Church Street, Toronto.

About four years ago, by advice of my physician, I procured a truss from Authors & Cox. I wore it three years without once seeing the rupture. One morning I forgot to put the truss on, and although I had some heavy lifting to do that day I did not find out that I had left it off until I reached home and found the truss in the house. I was delighted to know that I was completely cured.
