CANADIANS' FINE WORK.

W HAT Canadian soldiers are doing activities of the hardy lumbermen who Canadians with cross-cut and axe are viewed with wonder by the people of the old country.

Even before the great loss of tonnage, due to German submarines, had made itself felt, the decision had been reached that Britain's woods and forests must fall a sacrifice to their country's need, and experts in the work were sought. Naturally, official eyes made for men versed in wood craft. He is right; evil results follow both. From Alberta and British Columbia from Northern Ontario and Quebec, in fact from nearly all corners of the been killed by an enemy bullet, which Dominion, volunteers responded. They serves to prove that the correspondents were men who had spent years in do not shirk the risks run by the fightbringing to earth the monarchs of Can- ing men. adian woods, and what they did not know about the work was not worth

learning. Among the most noteworthy, perhaps, of those who left their homes in Canada to fight the Germans by providing timber and lumber, is Col. Walker of Calgary, a man of 71 years of age. He is one of the early Albertans, having cut all the lumber for Calgarv's first buildings, and having had a large share in the municipal work of that city. He has long been connected with the military, and when war volunteer, owing to an accident. The colonel stepped forward to fill his
