# DYNAMIC TONIC **TODAY**

The wear and tear of modern life with its hurry and worry, its stress and strain, is responsible for the nervous condition in which so many people find themselves. Such conditions always indicate a loss of phosphorus from the nerves and nerveentres, where in health it is most plentiful.

Depression, sleeplessness, irritability, worry over trifles, melancholy, inability to endure prolonged effort—all these are signs that the nerves and nerve-centres are starving for phos-phorus, in the form of food-phosphates. These phosphates are supplied in that wonderful vitalizing
