From Foul Line to Headpin

They all look alike to the Queen Citys in the T.B.C. League race, the Stanleys, supposed to be some class, falling by the wayside last night in three straight games. The champions, however, could not be denied, rolling three games away over the 900 mark. Every Queen City roller not only went over the 500 mark, but over the 550, while Harry Phelan topped the champs with a 606 total. On the other hand the Stanleys, who have put up two of the biggest team totals of the season, had a bad night, which is generally the case when stacked up against the leaders. It now remains for some tall-end team to break up the Queen City's winning streak. BOWLING GAMES TO-NIGHT. The following are the bowling games scheduled to-night:
