The personal and financial support of such clubs as the Rotary, Kiwanis, Lions, Gyro, Knights of Columbus and the Young Men's organization of the board of trade is adequate evidence that the whole proposition is beyond question worthy of support. These hard-headed business men commenced the federation in a most efficient manties are as efficient as it is possible

Money invested in community service pays tremendous dividends. "The poor are with us alway," and if the better equipped in life do not stoop down and help the widowed mother on the poor unfortunate thrown into LITERARY SOCIETY MEETS their own, what would become of the city? It used to be said that one-half of the world did not know how the other half lived, but this can hardly be ap-plied to Toronto today, for the leading School of Commerce held a meeting yesterday afternoon. The speaker was Dr. H. Gilbert of Burwich, Pennsylvania, who gave a very interesting talk on "Life."

Ask your mother, aunt, grandmother, they will tell you of folks they have known who were cured of the many distressing, painful diseases which occur in most women's lives, by taking Dr. Pierce's Favorite Prescription, which is sold by druggists, in both fluid and tablet form. What women say:

Tillsonburg, Ont.—"I found Dr. Pierce's Favorite Prescription an excellent medicine for the ailments of women. I had become very weak and nervous. I was just miserable when I began taking the 'Favorite Prescription' and it proved most beneficial. It so completely restored me to health that I have never had any return of this ailment."—MRS. GEO. WALKER, P. O. Box 490.

London, Ont.—"In my early married life I was very frail and delicate. I was feeling exceedingly weak and miserable when a friend advised me to take a bottle of Dr. Pierce's Favorite Prescription. From the very start I felt new strength and vitality. I feel certain that had I not taken this wonderful woman's tonic and builder just when I did I would never have been the happy mother that I am."—MRS. JOHN DANBY, 139 Ann Street.

Brampton, Ont.—"About five years ago I began suffering with woman's trouble. I became all run-down, weak and nervous. I was so completely down and out that I could not do anything, could scarcely dress myself. I had the doctor and took other spedicine but without getting better until I began taking Dr. Pierce's Favorite Prescription and his Golden Medical Discovery. It was only necessary for me to take about three bottles when I was completely restored to health and strength."
