

Of Interest to the Sunday School

Making a Specialty of SUNDAY SCHOOL BOOKS and SUPPLIES,
And carrying a VERY LARGE and WELL-SELECTED STOCK,

Places us in the front rank as distributors of choice literature suitable for School and Holiday Presents.

Our special arrangements for the convenience of committees that cannot find it convenient to come to the store at this season of the year may prove useful to your school, viz.: Whatever amount you mention that you are willing to expend in books, we will send double the value for your inspection, we paying the return freight charges. We find this arrangement proving very convenient, and will be pleased to send books to your school at once on application. Our terms are very easy, and discounts large. A sign of our prices being right is the large number of School Libraries supplied by us during the past year.
