Amputation of Two Legs Prevented.

Sir—Mr. Ryan, the well known proprietor of the Hotel next door to me, had two very Bad Legs one with eight ulcers on it, the other with three from them was very great. Some time since he made a journey to Dublin for the purpose of consulting some of the most eminent professional men, but returned home to his family with the choice of two alternatives—to have both Legs amputated, or the Coach who recommended the use of Holloway's Pills and Ointment, which he had recourse to, and was perfectly cured by their means.

Extract of a Letter, dated Whitechapel on the 10th of February, 1847, from Mr. J. Simpson, Stationer.

Cure of a Desperate Scroptic Eruption of long standing.

Sir—Having been wonderfully restored from a state of great suffering, illness and debility, by the use of your Pills and Ointment, I think it my duty to the public to state that I have been cured of a Scroptic Eruption, which completely covered my face, neck, and arms, and which had been long standing, and which I had been told by several eminent Physicians, that I should never be cured of, and that I should have to live with it for the remainder of my life. I am now as well as ever, and I can say that I am indebted to your Pills and Ointment for my recovery.
