OFFICE OF
INDIAN AGENT
West Coast Agency,
Port Alberni, B. C.,
December 19, 1935.

R

Sir:

I have the honour to submit for the consideration of the Department a request from the Ucluelet Band for a further distribution of the money derived from the sale of Nahmint logs. They claim that full payment was promised to them at the end of October 1935, but the writer can not find any record of such promise in the files of this office.

In submitting this application it is respectfully requested that consideration be given to the need of money for the repairing of boats for the coming fishing season also to the fact that the past season has been very poor generally all along the West Coast.

Your obedient servant,

P. B. Ashbridge
