MISSES LUGRIN'S MUSIC RECITAL
Delightful Programme Given Last Evening

Despite the inclement weather last evening, a large gathering attended the recital given in German street Baptist Institute under the direction of the Misses Lugin, and enjoyed thoroughly the excellent programme given. The soloists, Miss Beatie Wry, and Guy Holly Taylor, were heartily received. The former was heard in several charming selections in which her beautiful lyric soprano voice fascinated her audience, while the robust tenor of Mr. Taylor delighted and thrilled in the selections he chose. The quartette selections by Mr. and Miss Wry, Mr. and Mrs. W. H. Osborne were also a source of pleasure. Mrs. Kate Scovill presided at the piano in her usual capable manner.

PATRIOTIC POTATOES.
St. John, N. B., June 9.
To the Editor of the Evening Times:
Sir,—I noticed by this morning's paper that a number of our city celebrities attended the "Prentice Boys" banquet last evening and spoke on divers subjects from the saving of the Empire to Patriotic Potatoes. This last mentioned subject interests me very much, as also the whole public of this province. Since the house closed we have heard nothing on this subject. I regret very much that a verbatim report of Mr. Lockhart's speech was not published. If Mr. Lockhart can give the public satisfactory information concerning the handling of the patriotic potatoes it is more than our robust and genial friend Mr. Murray can do. Is it true that when this matter was brought up in the house the minister of agriculture became faint-hearted? Everybody, of course, knows that the secretary of agriculture took to the bed. Might I ask Mr. Lockhart—since he is presumably well informed on this matter—to give the public the whole inside history in connection with the patriotic potato transaction and take us all into his confidence as well as the "Prentice Boys".
I remain, yours truly,
ONLOOKER.

Thump - rattly - bang! went the piano.
"What are you trying to play, Jane?" called out her father from the next room.
"It's an exercise from my new instruction book, 'First Steps in Music,'" she answered.
"Well, I knew you were playing with your feet," he said grimly, "but don't step so heavily on the keys; it disturbs my thoughts."
