REMOVAL

Optical Parlors from 146 Mill Street
to 629 Main Street, upstairs in J.
Morgan building.
7-23.

When a farm was sold in Mar-
quette County, Mo., recently, the transac-
tion took place in the home of the farm's
buyers and was strictly cash. After
the deal had been closed every member
of the family began bringing silver coins
from nooks and crannies all over the
house where it had been secreted. The
seller had to take his money in a flour
sack to the bank, where it took the
teller and cashier two hours to count it.
Most of the money had been earned by
the two daughters of the family, who
had taken in washings.
